9th February 2024

Dear Parent/ Carer

Undergraduate Sport Science Taster Day Trip to Loughborough College Wednesday 28th February 2024

I am very excited to announce that the PE Department has managed to arrange an undergraduate sport science taster day at Loughborough College. The day will look at the following areas:

- Sports Coaching: Wheelchair basketball
- Sports Science: Fitness testing and biomechanics
- Sports Therapy: Soft tissue issues and rehabilitation

All these areas are covered within both the A-level and GCSE PE course allowing students not only to revise key topics but also look at them in a real life context. This opportunity will also give them an experience of what a sports related course at University level will look like. Inspiring the sports scientist, coaches and therapist of the future.

We will depart the campus at approximately 8.50am and return in time for the school bus at 3.10pm on **Wednesday 28th February 2024**. This is dependent on the traffic on the way back. Please ensure that someone is available to pick up your son/daughter if we are delayed. The cost of the trip is **£18 payable on Arbor/ Activities/ Trips - Undergraduate Sport Science Taster Day**.

Deadline for payments is midnight on Thursday 15th February 2024.

Lunch will be provided and students will need to come to school in their PE kit.

Kind Regards

Michelle Richardson
Teacher of PE
