Teacher of Art, Design and Technology 11-19

Brookvale Groby Learning Campus

Welcome from the Headteacher

Dear Prospective Applicant,

Thank you for expressing an interest in the full-time role of Teacher of Art, Design and Technology at the Brookvale Groby Learning Campus. This is an exciting time to join our campus and we look forward to working with a new member of staff who will share our ambitious vision, "Valuing Everyone, Achieving Excellence".

The campus has been through a period of significant change having converted to a multi academy trust in 2017 and a merger to a single academy trust from September 2019. Our founding schools were Brookvale High School, an 'outstanding' 11-14 high school, and Groby Community College, a 14-19 upper school graded as 'good with outstanding features'. Now, as a united campus, we meet the educational needs of over 1500 students with over 300 of those enrolled in our Post 16 provisions.

We have a strong ethos of valuing everyone and achieving excellence for all. We set very high standards for our students and ourselves, we work hard, we look after each other, and we are committed to professional learning for all staff. As a consequence the motto we use on a daily basis with our young people is to work hard, be kind which we feel symbolises the culture we aim to create on campus.

We have a spacious semi-rural campus location and most of our students live in the surrounding villages with some travelling from Leicester and its western suburbs.

We hope the documents provided help you to gain a feel for the school, but if you'd like to find out more, then please contact Tracey Malsbury - tmalsbury@brookvalegroby.com or telephone 0116 2879921, in the first instance.

All of the documents to support this application process are available on our website, www.brookvalegroby.com.

We would like to thank you again for your interest in the post and we look forward to receiving your application. Please do note however that, to adhere to our Child Protection and Safeguarding procedures, CVs are not accepted as a form of application and are not put forward to the shortlisting panel. If you have not heard from us within 2 weeks of the closing date, then please take it that on this occasion your application has not been successful. If this is the case, then we thank you for your interest, and for the time spent applying.

Yours sincerely

Testimonials

Extract taken from email correspondence, following a tour of the school by a prospective parent:

I would just like to say thank you for the time spent with me today on my tour of the campus, and state how impressed I was with the school. There seems to be a very calm, relaxed and organised approach to how the school operates, and I believe that obviously shows in the way your students behave.

Email from parent:

Every teacher, every office and every reception staff which our daughter and family have encountered over the years at Brookvale/Groby, have been amazing.

Their level of genuine care for her as their student is what any parent/ carer or grandparent would wish for.

Not only did they help her meet her academic challenges, they helped her on every level. Too many incidents to mention but teachers will know. Always making themselves available for my very many visits to school when things weren't great. Always demonstrating positive input to our challenging family situations.

Saying Thank You hardly seems enough but Thank You.

Written comments from parents following Open Evening:

I just wanted to write to say what a credit the students were to your campus last night. They were very helpful, polite and informative. I was in awe of the two students who spoke so confidently in front of a hall full of parents – what a talent to have at such a young age. The staff were all lovely too! We definitely left with a very positive view of the campus.

Written comments from parents following Year 11 Progress Evening:

'All the teachers I have met tonight know my son very well. I think all of them are interested and care about his progress.'

'All 3 of our children have thrived through the support that the school has given them, so happy with their education.'

'The school is excellent, helping my child progress and I would recommend it.'

Year 10 student:

In my opinion, the teachers that teach me are very patient in the sense that if I don't understand something, they will try their best to ensure that I grasp that piece of knowledge whether it be by a diagram or an acronym etc. Another great thing about the school is that we have so many facilities so that we can excel in whatever we may want to do.

Year 7 student:

'At our school we have amazing facilities and most importantly, very supportive staff!'

'Students feel safe at BGLC'.

'We are rewarded for hard work'.

'We are listened to and supported by the teachers and staff'.

Extracts from staff members:

'I have had the most positive experience and have enjoyed every day of it. I have worked in schools for the last 10 years and have never worked anywhere like this. From day 1, I have felt part of something amazing and special...the school has such a positive atmosphere and nothing has been too much trouble for anyone. I am sad to leave, but now I have a great basis for my career ...although I think it will be hard to find a school as good! I wish you continued success and maybe one day we'll meet again!'

I just wanted to say a huge thank you to every member of staff at Brookvale Groby for your kindness and support over my last seven years here. I will miss you all a great deal and thank you for the lovely memories. You are a fantastic team and an immensely talented bunch of people; our students are very lucky to have you.

Faculty Information

The Art, Design and Technology Faculty is dynamic and high performing, and the work produced is energetic and creative. We have great facilities such as 2 specialist Food rooms, an A Level Photography studio, 2 well equipped workshops enabling the use of traditional and modern methods to produce design pieces, as well as several Art and Design specialist subject areas.

In Year 7 and 8, students currently study Food, Art, Textiles and Design for 9-10 week rotations to give them experience of the subjects, and the opportunity to skill build as well as experiment with subject specific processes. In Year 7 and 8 Graphics, the students have single lessons for half an academic year. In Year 9 we have introduced an element of choice so that the students study fewer ADT subjects in more depth. We currently offer a range of GCSE Design Subjects: Textiles, Fine Art and Graphic Design, Food Preparation and Nutrition and Level 2 Cambridge Nationals Engineering Design.

The broad range of courses at A Level means we regularly attract healthy numbers of Post 16 students. We currently offer AQA Fine Art, EDUQAS Art & Design: 3D Design, Photography and Graphic Design.

Rates of progress are very good within ADT due to the quality of the curriculum and the drive of the team. Results in ADT have been consistently high at both KS4 and KS5 over the last few years and this is due to both the staff and students' hard work and commitment.

The ADT learning environments are colourful and interesting with each subject area having its own classroom and particular identity. The ADT team consists of teaching staff and technicians who are all committed to working together to ensure students have the best experience possible. We are a friendly and supportive faculty with high expectations of ourselves, the students and the work they produce.
