HEADTEACHER'S UPDATE

MAY 2024

Dear Students, Parents and Carers

This term has gone so quickly and it is hard to believe that both GCSE and A Level examinations are already underway. We wish all of our students sitting public examinations, every success, we know they will do brilliantly and progress to the destinations of their choice.

Whilst this term has gone quickly, it has also been an exceptionally busy one, and I have been blown away by the sheer number of enrichment activities, visits and fixtures that our students have been involved in, and our staff have planned and led. These opportunities are often the memorable moments from our time at school and frequently ignite our passion for a subject area or future career.

In school our newly appointed "BGLC Change Makers" have really taken to their new roles in supporting our school move forwards, and have been involved in a number of exciting projects. Most recently they have been part of our due diligence around the potential of BGLC joining an established Multi Academy Trust, and visiting schools to find out more. I have communicated frequently on the challenges facing the education sector and the reality is being a Stand-Alone Academy, is becoming increasingly challenging and less viable, so this is a significant area of research for our school.

Alongside our Student Leaders I have been delighted to see approximately fifty students volunteer to become Mentors in Violence Reduction, as part of our work with the local VRN (Violence Reduction Network). We hope the training students receive will encourage more students to challenge behaviours that are inappropriate and de-escalate issues that may arise. Students are taught the importance of being "upstanders" rather than "bystanders", and their role within our community.

I was both overwhelmed and humbled by the volume of emails that were sent in, in support of our school and what we do, following our recent communication in regards to the aggressive and rude behaviour of a small minority. It was apparent that we have the overwhelming support of the majority of our parents and this means a lot to our whole staff team.

Within school we have continued to fit all new double-glazed windows and doors to the whole of the Groby building. Not only do these new additions make the school look better, they will also help with our rising energy bills and thermal efficiency. Alongside this we have been successful in securing funding for a new block of classrooms and additional toilets, with work commencing at the end of the summer term hopefully. This will remove some of the very dated temporary classrooms that have been on site for a lengthy period.

We are currently busy planning for the next academic year, including our Year 6 transition events, and ensuring everything is in place for a productive summer term.

We continue to improve what we do, and strive to make sure as a campus, BGLC is constantly improving.

Yours sincerely,
Will Teece.

GOOD LUCK to all of our **Year 11 & Year 13** students who are sitting their exams.

Use all of the revision and warm up sessions to your advantage, and try your very best!

SAFEGUARDING INFORMATION FOR PARENTS

As a campus we give the highest priority to safeguarding our children and young people in all aspects of their school and college lives. This means that staff and volunteers must be alert to possible concerns about every student, and to report these in a proper fashion. The campus has a safeguarding and child protection policy which parents/carers can view on our website; www.brookvalegroby.com

In order to effectively safeguard all students and adults on site it is important that all visitors to school, including parents and carers, sign in at reception before they go anywhere else. All adults on the campus are asked to challenge any adults that they see on site who are not wearing identification which indicates that they have signed in at reception. Please do not go directly to the Groby building or any other part of the campus without first going to reception in the Brookvale building.

It is important for parents to be aware that:

- Staff and volunteers in the campus have a duty to report concerns about a child, whether this means the child may be in need of additional support or help of some kind or whether it is thought that a child may have been abused or be at risk of abuse.
- In some cases the campus is obliged to refer children to children's social care staff, for children to be assessed for their needs or if an investigation into possible child abuse is required.
- In many cases there will already have been discussions between campus staff and the parents of the child, and the situation and concerns will not be a surprise to the parents. However, parents may not be told that the campus has referred their child to children's social care if it is thought that this might put the child at risk.
- Children's social care tries to carry out its enquiries in a sensitive fashion. It has to gather information and generally it can be open with parents about the steps being taken.
- If you think your child may have been abused, or may be at risk, you should contact the children's social care office. If you think the abuse may have happened on campus, contact the Headteacher or the Designated Senior Person for Child Protection; Mr Godwin, Senior Deputy Headteacher. If you think your child has been hurt, arrange to visit your doctor. Comfort and reassure your child.

For parents' enquiries please contact:
Mr Godwin, Senior Deputy Headteacher

POST 16 NEWS

Year 13

The A Level exams are now underway and we wish all of our students the best of luck. Well done to all Year 13 students for completing your A Level journey, students have shown incredible determination, resilience and drive throughout their two years of Post 16 study, and you should be so proud of your achievements. Best wishes for the future.

We ask that all of our students attend their lessons and registration until they've completed their final exam. This is to ensure students have the expert help and support of our teachers here on campus.

Earlier this month we had a fun photo shoot with Year 13, all of the pictures will be found in their yearbook.

Results Day is Thursday 15th August and we will be there to celebrate students' achievements. Details of the timings will be sent in due course.

THANK YOU TO OUR AMAZING HEAD STUDENTS

We would like to take this opportunity to say THANK YOU to our wonderful Head Students, Sage, Amelia, Simrun and Sawan. They have acted as role models to their peers and all students on campus. We wish them the very best in the future, and we know that their leadership skills are going to put them in good stead in the future.

YEAR 13

To celebrate the final term on campus we had a photoshoot for Year 13. Photos will be in their yearbook, but here are just a few pictures of this wonderful group of young adults:

Year 13

We recently held our leaver's assembly for Year 13. It was a fantastic celebration of their achievements over the last two years here at BGLC. Students were nominated by their teachers for special awards and given some treats to take away - their future is looking bright, so they'll need their new shades!!

Your Future is

YEAR 13 DATES FOR THE DIARY

Year 13 Prom: Friday 21st June 2024 @ Holiday Inn, Leicester. Welcome Drinks from 7pm

We hope all of our Year 13 students can attend and celebrate the end of their Post 16 journey together.

A Level Results Day: Thursday 15th August 2024 @ BGLC (Brookvale hall) 9.00am onwards
(For those students going through clearing you can collect your results from 8.30am)

Year 12

We'd like to start with an enormous WELL DONE to Year 12 who have now completed their mock fortnight. This has been such an important period of time for Year 12 and will form part of the final predicted grade that will be used for UCAS and Apprenticeship applications.

As Year 12 students near the end of their first year of A Levels they will start thinking about their future pathways. Our Post 18 tutor programme starts on 13th May and will run for 4 weeks. This will cover all aspects of Post 18 and start to encourage students to invest some time into researching what is available to them and what they could be doing after their A Levels. Our enrichment sessions this term focus on Post 18 next steps, and students will then be able to start their applications and personal statements with the help of their tutor and the Post 16 Team.

We will be visiting the UCAS Discovery Event on Thursday 6th June at Lincoln University. All Universities will have a stand and students will be able to speak to their representatives about their undergraduate degrees and collect prospectuses and information.

We'd like to re-share the [learning journey](#) for Post 16. It shows students the exciting opportunities available during their two years of study, and we hope this is useful for our current Year 12s and our future students.

POST 16 ENRICHMENT

This term we've had some fun enrichment sessions.

Year 13

Year 13 have been preparing pizzas, showing them how to eat on a budget. While half of Year 13 made pizza, the other half were in sessions with Hinckley and Bosworth council, looking at healthy lifestyles and relationships; the groups swapped over for the following session.

Year 12

Year 12 will be having a guest speaker from DeMontfort University, who will talk to students about what life is like at uni and also a session on how to make the most of your summer holiday. Coming up in the final term of this academic year we have our Work Experience week, from 1st to 5th July. The majority of Year 12 students have already arranged their work experience for the week and the remaining students will be engaging in our virtual work experience and volunteering opportunity in house. We also have our annual *Young Drivers Day*; this is held on-campus, as many Year 12 students are learning to drive, this day is focussed on safety when driving. NATIONAL SPACE CENTER VISITS BGLC

On the 11th April, 9Z1 were lucky enough to be part of a new work experience initiative in partnership with Leicester and Leicestershire Careers Hub. This was Phase 1 where employees from The National Space Centre worked with students all day to plan a project that they will go to The National Space Centre in May to deliver. Students had a fantastic day, exploring different careers within the Leisure and Tourism sector. Huge thank you to Lucy, Gareth and Dan from The National Space Centre for making the day so interactive for our students.

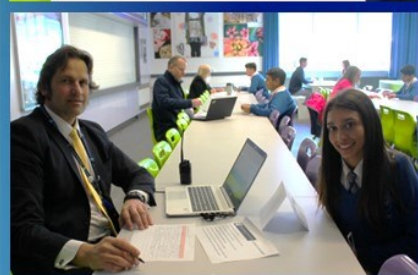

NATIONAL SPACE CENTRE VISIT

Class 9Z1 completed the second part of their space centre work experience project on 9.5.24. They had an opportunity to watch an astronaut film in the planetarium, explore the space centre and then prepare their project pitches which they delivered to Gareth and Dan from The Space Centre. The whole group did incredibly well and we are very proud of their effort with this project!

TRADE GAMES

Year 9 students have been representing global countries. They have taken part in the 'Trade Game' where they need to work together in a team (country) to make as much money as possible. This helps students to learn how to share, trade, work as a team, listen to each other and to shout 'that's so unfair' a lot! It was good fun and students enjoyed not doing 'normal' lessons for an hour.

YEAR 7 'SPIRIT OF LEICESTER TRIP'

On Tuesday 30th April and Friday 3rd May, Year 7 students visited many different religious buildings and learned a lot about the diverse religions in Leicester.

On the Tuesday they also had lovely sunshine and enjoyed lunch in the sun at Jubilee Square.

YEAR 11 GCSE GEOGRAPHERS - TRIP TO LEICESTER

On Thursday 18th April 2024, Year 11 attended a fieldwork day in Leicester city centre. The fieldwork is to support their component 3 exam 'analysing the changes over time.' Year 11 collected primary data - counted pedestrians, asked questionnaires and did environmental surveys. The students then made comparisons with secondary data from 2016 to draw conclusions as to whether the city centre has change over time. Students completed all of their data collection with time to spare so they treated themselves to a spot of lunch in McDonald's, Burger King or Greggs.

Well done Year 11 Geographers - it was a lovely change to the normal school day!

MISS SMITH'S HISTORICAL EXHIBITION

Year 9 had an extra treat on the afternoon of Friday 19th April, where they got to look at the uniform and equipment of the 101st Airborne Pathfinders. A unit responsible for dropping paratroopers into occupied zones during the Second World War and leading the night drop before the D-Day landings. This links to their current unit of work on WWI, WWII and the Holocaust. Students found the talk led by Year 9 Jack Staples really informative and interesting.

WELL DONE Jack! #BGLC_History

EX-STUDENT JOE COPP'S NEW NOVEL 'CAMP TERRA'

On Wednesday 8th May, we were excited to welcome ex-student and new author, Joe Copp to our Year 8 class. He came in to read from his novel 'Camp Terra' and answer questions about his writing experience. The opening chapter introduced us to the main characters and the plot, which, as Mason stated was "an intriguing story and well read".

Joe was then subjected to a raft of questions ranging from 'How long did it take to write?' and 'How did you get it published?' to 'What type of superhero would you write about?' All of which Joe answered with humour and in detail. Many of the students thought it was "a good book" and were curious to discover how they could get hold of a copy - Amazon, Waterstones, WH Smith, and local libraries are all stocking it. There were also volunteers to star in the Netflix version, once the rights were inevitably sold to them.

The class were particularly interested to learn that writing a book is a long-drawn-out process, Joe said it had taken about a year from first draft to being published. Cameron, amongst others, said: "It was good to learn what you have to go through when writing a book." Joe had also told us that he had had the idea for many years but it was only recently that he had had the time to write it, eliciting this response from Sam H. "It was good to hear never give up. Don't let anything stop you." It was Joe's first visit to a school and he handled it like he had been doing it for years. Lily described it as "a nice experience" and Che's response was "It was better than the normal lesson." Thanks Che!

MATHS CHALLENGE (JUNIOR)

On Thursday 25th April our top sets in Year 7 and Year 8 sat the UK Maths Challenge. This is a 60 minute multiple choice challenge using logic and Maths skills. It is designed to encourage mathematical reasoning, precision of thought and fluency to make students think. We were competing with students in Years 7 and 8 across the country. The students that took part performed very well and we gained a number of bronze, silver and gold certificates. We also had 3 students invited back to take part in the next round.

It was an intense 3-day 19 hour mental and physical grading but he passed with flying colours! They spent 5 hours on Friday covering emotions, mindfulness, meditation and they had to perform a speech detailing their journey to black belt and all the high and low emotions involved to a packed hall of people, then on Saturday they spent 11 hours being graded on all aspects of their martial arts training including kicks, punches, combinations, blocks and fitness. GROBY GLADIATORS U13'S WON THEIR LEAGUE!

Congratulations to the Groby Gladiators U13's, won their league on Tuesday 14th May.
Half the players are Year 8 boys here at BGLC and they won 5-3!

WELL DONE Groby Gladiators! #BGLC_PE

BOYS RUGBY

The boys rugby teams have also had a term of friendly fixtures against Hinckley and Bosworth Schools. The Year 7 team lost to Ibstock 35 points to 40 in their first game of rugby together and then combined with the Year 8's for their remaining fixtures. A combined Year 7/8 team lost 40 points to 50 against Redmoor and 25 points to 45 against South Charnwood. Despite the losses, great to see so many students take their first steps in the game. The Year 9's have had an unbeaten run beating South Charnwood 45 points to 15, combining with the Year 8's to beat Ibstock 20 points to 15 and then with the Year 10's to beat Redmoor 45 points to 15. We have also had a combined Year 10 and 11 team play two fixtures, beating Ibstock 34-0 and losing heavily to Bosworth Academy. Unfortunately, school rugby is really struggling in the state sector, so we had a number of cancelled fixtures due to other schools not being able to raise teams across all year groups.

WELL DONE boys!

#BGLC_PE

YEAR 8/9 GIRLS FUTSAL

Our Year 8/9 girls futsal team qualified for the County Final at Crown Hills and made it all the way through to the semi-finals after an unbeaten group stage. We beat Babington 5-0, John Fearnley 2-0 and Woodbrook Vale 5-1, while drawing with Gartree 1-1. Unfortunately, an error by the match officials submitting the results meant that we went into the semi-finals playing the other group winners, rather than the runner's up, where we lost 2-0 to a strong Ibstock side who were the eventual winners. A great achievement, nonetheless, to finish 3rd in the County. They were crowned Hinckley and Bosworth Champions earlier this year, beating a strong Market Bosworth 2-1 in the final.

WELL DONE girls!

#BGLC_PE

BADMINTON

Both our girls badminton teams reached the Team Leicestershire County Finals held at Babington. The KS3 girls ended up finishing 7th in the County, which is a fantastic achievement. The KS4 made it all the way through to the finals, finishing 2nd to a strong Gartree by the narrowest of margins.

WELL DONE girls!

#BGLC_PE

SWIMMING

We had some great results at the Hinckley and Bosworth swimming gala in February. Our Year 7 team finished 2nd, with the KS3 team finishing as area winners and going through to the County Finals. The KS4 team finished a respectable 4th. The KS3 team performed fantastically well at the County Finals despite missing out on the medals.

GIRLS FOOTBALL

We have had a number of friendly fixtures against other Hinckley and Bosworth Schools over the course of the last term. Unfortunately, a number of schools dropped out, so we haven't been able to play as many as we would have hoped. The Year 7's have fared well, beating South Charnwood 2-1 and St Martin's 5-0 alongside a 3-1 loss to Redmoor. The Year 8/9 girls have only had one friendly fixture, drawing 3-3 with Redmoor - hopefully they will play a rearranged fixture against St Martin's in the not-too-distant future.

WELL DONE girls!
#BGLC_PE

BOYS FOOTBALL

The Year 8 boys football team missed out on a place in the Team Leicestershire final at Leicester City's training ground in Seagrave after losing away at Kibworth Mead in the semi-finals. They qualified for the semis with a comprehensive 10-2 victory in the quarter finals.

WELL DONE boys!

I began as a young player at Leicester City before becoming a professional at Port Vale and Southend United. After leaving the professional game, I completed a degree in Coach Education. I believe my range of experiences helped to shape my skillset.

I am a UEFA A Licensed coach with 17 years' experience working in an Academy, over 10 years in a Category 1 Club.

I currently work at Southampton FC as the B Team Individual Player Coach.

Since joining Southampton FC, we have consistently rated highly for productivity of Academy players to the first team. I am also encouraged that a lot of players have continued a professional football career since leaving Southampton. It is my opinion that coaching is about building belief and resourcefulness. Everyone can improve and the environment must support that. As coaches we should try to develop every player to fulfil their potential. Progression is non-linear, therefore this is the best way to ensure success. I have a strong understanding of all disciplines within the Academy and have helped to fully integrate our MDT into the program. I have also developed holistic Individual Development plans with proven success.
