The Tutor Time Reading Programme for **YEAR 11**

Every morning, between 9 and 9.10, Y11 students will listen to their tutor reading from a number of brilliant books. The books have been chosen to encourage the students to read for both pleasure and progress and our tutors will be great role models every day. The titles are a mixture of new and classic, fiction and non-fiction - and cover a range of genres.

As we move through the year, this page will fill with information about the books and about the ways in which families can get the most out of the amazing writing from a range of award-winning authors.

Remember that you can help your daughters and sons get the most out of their reading by

- Asking them about the book
- Reading it too
- Making connections between the book and your family's experiences
- Talking about the inspirational books and writers that have had an impact on you and your family

Happy reading!
