13 January 2025

Dear Parents/Carers

We are delighted to share with you that BGLC has chosen to work towards being accredited with the Anti-Racist School Award.

The Carnegie School of Education based at Leeds Beckett University has developed the Anti-Racist School Award to give schools a framework to evidence policies and initiatives for both staff and pupils within the wider school community. By embracing the ideals of the award, we are demonstrating a deep commitment to working towards excellent practice as we place anti-racism as a the core value of our school alongside our commitment to having a rich whole school culture where all members of our school community can thrive.

We would welcome expressions of interest from parents/carers who would like and are able to work with us more closely through a parent/carer group which will focus on the competencies of the award. If you would like further information about joining the group, please contact us via the headteacher email address - headteacher@brookvalegroby.com.

We look forward to sharing how we, as a community, are further developing our practices in relation to anti-racism over the coming months. Further information about the award can be found on the Leeds Beckett University website - [Anti-Racist Award leaflet](#).

Yours sincerely

W Teece
Headteacher

C Acton
Chair of Trustees
