Dear Parent/Carer,

'A Christmas Carol' Year 8 into Year 9 ALL STUDENTS NEED A COPY

ISBN: 9780241733806 - Puffin Classics*

In year 9 we begin studying the GCSE set Literature text 'A Christmas Carol' by Charles Dickens. Students need to have this text from September 2025 to use in class: reading, annotating, sticking in post-it notes, in preparation for their GCSEs.

This text will stay with students until their Year 11 exams. As part of our interleaving curriculum, the text will be regularly revisited throughout the 3 years.

The text is now available to order through Arbor at a substantially discounted rate. If you wish to buy the text at this preferential rate, you can find this in **Arbor > School Shop > EML – "A Christmas Carol" Text Book 2025 at a cost of £6.00.**

Looked after students and students eligible for pupil premium funding need not order a copy as one will be provided.

Important:

The closing date for the book orders is **Monday 31st March 2025 at midnight**. After this date students will need to purchase their own copies as the option to buy through the school will no longer be available.

Books purchased through this School Shop order will be labelled with your child's name and retained in the English department for their use in class.

Kind regards

Mrs A Bellamy
EML Faculty Leader

*Please note – this is now a replacement version of the Puffin Classic that has been used in previous years. It is not advisable to use siblings' former copies as the text may differ.
