

Weekly Parent Bulletin

<p>All Years</p>	<ul style="list-style-type: none">● Progress Evenings - please see letter from Mr Teece regarding Progress Evenings HERE.● Medications policy- A polite reminder that only 1 dose of pain relief can be kept on students whilst on campus. Parents are responsible for ensuring that their child does not abuse, pass on or otherwise misuse the medication.● Fidget Spinners/Toys - If your child is allowed a fidget toy on campus, can you please ensure that they are bringing in a small, silent fidget. Any large/loud ones will be confiscated.● We have received increasing concerns from our neighbours regarding parking during school drop-off and pick-up times. We kindly request your cooperation in ensuring considerate parking practices. <p>Please be mindful of blocking driveways and curbs, as this forces pedestrians, including those with pushchairs, into the road, creating a safety hazard. Increased congestion also poses risks to our students' road safety.</p> <p>We encourage all students to walk, cycle, or use public transport whenever possible. Please remember that dropping off students on the zig-zag lines outside the school or <u>on the school campus itself is not permitted</u>. Additionally, parking on nearby roads is sometimes obstructing access for our school buses.</p> <p>We must be respectful of our community and work together to ensure the safety of our students and neighbours.</p> <p>Thank you for your understanding and cooperation.</p> <ul style="list-style-type: none">● Draw a dino competition- The 'choose how you move' team at LCC are running a 'draw a dinosaur competition'.<ul style="list-style-type: none">○ <i>We are aiming to run family trails in parks across the County during the summer holidays, called Dinosaur T-reks. But, to do this, we need some fun and colourful drawings of dinosaurs. We would love it if your school children could design some dinosaurs sustainably travelling for us to use in our trail. Think T-Rex on a trike, a stegosaurus taking a walk, or a Brontosaurus Bus! The dinosaurs can be real or made up. <u>Attached</u> is a template for the children to use, alternatively drawn on any white paper is also acceptable. Please make sure the child's name, school and year are on the drawings so we can let the children know if they're drawing has been chosen.</i> <p>The drawings chosen to be in the trails will then be sent off to a design company for refining before being used in the trail.</p> <p>All entries need to be returned by 11th April (midday).</p>
<p>Year 7</p>	<ul style="list-style-type: none">● Iceland Feb 2026- A letter will be shared regarding an exciting opportunity for next year's Year 8 Students (current Year 7) to visit Iceland. If your child is interested, please look out for an email next week. A deposit (approx £185) will be required to register interest. More information to follow.

Weekly Parent Bulletin
