### CAMPUS NEWSLETTER

Dear Parent / Carer

**MARCH 2025**

What an incredibly busy and rewarding term it has been! I am constantly amazed by the energy, enthusiasm, and dedication of our students and staff. From academic achievements to remarkable non-academic experiences, this term has been a whirlwind of enriching opportunities. We have been delighted to witness our students immerse themselves in activities, fostering their passions and talents. The memories created during our international trips to Berlin, France, USA, and Iceland will undoubtedly last a lifetime.

The return of "Brookvale Groby Got Talent" was a resounding success, showcasing the extraordinary talents within our school community. The evening was not only a fantastic spectacle but also a testament to our students' generosity, raising over £2,000 for the OXOCS charity.

Following your feedback, we reintroduced face-to-face Progress Evenings. We will be exploring a hybrid model moving forward, ensuring we maintain the valuable personal connection while offering flexibility.

Once again, we are thrilled to announce that Year 7 is full, with a waiting list, a clear reflection of BGSLC's strong reputation within the community and the quality of education we provide. I have been particularly proud to see our students actively engaged in community projects, from hosting coffee mornings to visiting care homes and participating in litter picks.

Our journey towards joining the TMT is progressing smoothly. We have received approval from both Trust Boards and are now awaiting final approval from the DfE Regional Board in April. We are already engaging in collaborative partnership work and are confident that this transition will bring significant positive changes for our school community.

Our attendance drive, aligned with the DfE's national focus, is showing promising early signs of success. This is crucial, as recent DfE reports have highlighted the clear link between good attendance and positive lifetime outcomes. Ensuring your child's school every day is one of the most supportive actions you can take as a parent.

We have also been honoured to host the NPQ's First Assessment Clinic and the first national PNL Open Day, welcoming educational leaders from across the country to witness our implementation of core PNL approaches. This recognition is a testament to the hard work and dedication of our staff.

With the examination season approaching, we are fully committed to supporting our Year 11 and Year 13 students. The work they put in now will significantly impact their final outcomes. Please encourage them to make full use of the resources and support available, including revision sessions, one-on-one support, and online materials.

Thank you for your continued support and partnership. We look forward to another successful term.

**Years sincerely, Will Tanton.**
