

April 2025

Dear Parent/Guardian,

## **Year 10 Statistics Revision Session – Wednesday 7th May, 3.15pm - 5pm**

I hope this letter finds you well. As your child prepares for their upcoming external statistics exam, we are offering a dedicated **Statistics Revision Session** to support their learning and reinforce key topics. This session will take place on: **Wednesday, 7th May, from 3:15 - 5 pm** in their usual Maths classroom.

This session will be extremely beneficial for students, as it will provide targeted revision, exam-style practice questions, and guidance on how to approach problem-solving effectively. Our aim is to help students feel more confident and prepared ahead of their assessments.

We strongly encourage all Year 10 students to attend this session, as it will give them a valuable opportunity to consolidate their knowledge in a focused and supportive environment.

Please confirm your child's attendance by completing the form [here](#) by the deadline of **Friday 11th April**.

A reminder that the Statistics exam consists of two exams which take place on: Monday 2nd June and Friday 13th June.

Thank you for your continued support in your child's education. We look forward to seeing them at the revision session.

Yours sincerely,

Miss Taz Johal  
Assistant Headteacher
