SCHOOL TRANSPORT FOR 2025/2026

For New Year 7 Students 2025/2026 and current Students in Years 7, 8, 9, 10, 11 and 12

Please read the following carefully before making a deposit payment as by reserving a place you are agreeing to the following Terms and Conditions.

Appendix A – Terms and Conditions

Factors for Provision of Services

- It is important to note that transport to and from school is the responsibility of parents/carers to arrange and fund. We support parents/carers in this provision by contracting buses to bring students onto campus each morning and pick up from campus for the homeward journey.
- The school has undertaken a tendering process to obtain the best service possible. Bus prices for school runs are at a premium due to high demand for a specific time of day and limited coach operators in the Leicestershire area.
- The school subsidises the cost of the bus services and makes no profit on the income received.
- Prices have increased this year to cover some of the inflation passed on to us by the bus companies.
- Financial assistance in funding transport is not available through the school as it is a parental choice to opt to use the service.
- Payment must be made in accordance with the schedule set by the school. Please see the attached tables detailing the payment options available. We are unable to offer individual payment plans.
- Non/late payments will jeopardise participation in other fee-paying activities.
- Non-payment by the specified dates will result in a pass being withdrawn and the student will not be allowed to travel on the bus. Their place may be allocated to another user.
- All routes may be subject to change and as places are limited to the capacity of each route, places are allocated on a first come, first served basis.
- Students can only use the route assigned to them. BGLC office staff will assign the route for each student. We are unable to accommodate requests from parents/students to travel with friends.
- Payment is required for the full academic year of 190 days and is not subject to student attendance or bus usage.
- For the first week of term, students may travel without a pass (providing the deposit has been paid), as photos have to be taken.
- Once a pass is issued it must be shown to the driver on every journey.
- If a pass is lost, a charge of £5 will be incurred for a new pass to be printed and issued.
