

Friday 4<sup>th</sup> December 2015

In Maths this week we have been learning about.....

## Counting up to 20.

Here's something you can try at home

Count the different decorations on the Christmas tree. Can you say how many red ones? How many stars can you see?

**If you don't have a tree you can count the ones on this paper.**

How many presents? How many stars?  
How many bows? How many lights can you count?

*This Week's favourite story.....*

## The Magical Christmas Tree

Things we liked about the story

We liked the friends who were being helpful decorating the tree.

*Other things we have been doing this week.*

WE HAD A WONDERFUL VISIT TO FARMER TEDS.  
WE HAD A GREAT TIME AND THE ELVES THOUGHT WE WERE VERY WELL BEHAVED.  
SANTA ALSO SAID WE WERE THE BEST CHILDREN EVER!

*Ask your child to tell you something they have enjoyed doing this week.*
