

Early Years
ECHO

FRIDAY 1ST APRIL 2016

In Maths this week we have been

Counting ladybird spots

We are starting to count to 20 and we are challenging ourselves to count over 20. Keep practising at home.

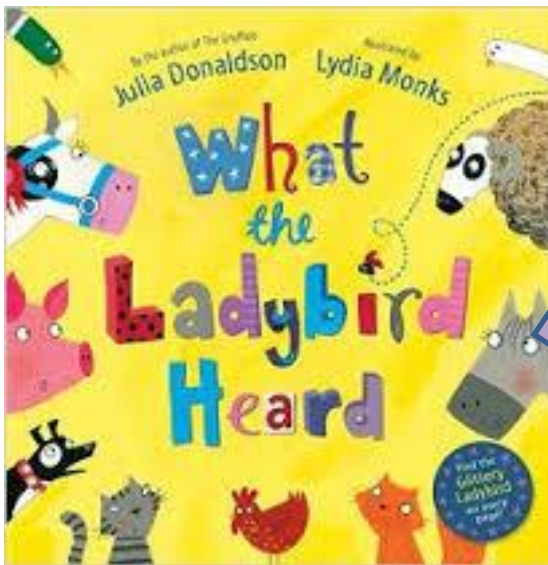

We have also been Doubling.

Children have been learning how to do doubling sums by using ladybird pictures. They have been writing sums out. Eg

3+3=6 2+2=4 10+10=20

This Week's favourite story.....

Things we liked about this story

We liked it when the robbers were caught by the police.

Other things we have been doing this week.

Playing outside, using the bikes and trikes.

Learning about ladybirds.

Playing with dolls and making up stories about magical fairies and dolls.

Doing book reviews. We have been thinking of all the things we liked about the stories we have heard.

Ask your child to tell you something they have enjoyed doing this week.

REMINDERS

1. We finish for Spring holiday today. **WE ARE BACK ON TUESDAY 19th APRIL.**
2. Have a look at our Early Years blog to find out what your child has been doing in school.
3. We have lost property outside our class. Have a look to see if anything belongs to your child.
4. We have a box outside class to put toys in. Children are not allowed to bring toys in as they can become lost and cause upset.

If you have any questions just ask.
