'PARENT ASC PROJECT'

Dear Parents / Carers

Following our recent successful Big Lottery bid (Awards for All), we are delighted to be able to offer a series of parent workshops in schools across the city. The workshops will cater for parents of pupils on the autism spectrum and/or who are awaiting assessment on the ASD Pathway.

Workshops in your area: we will be delivering a set of four autism training workshops and/or drop-in sessions during this summer term at the school below. The training workshops will cover a wide range of topics, including What is Autism?, How Autism impacts on behaviour, Sensory Processing Difficulties and strategies and resources to support children.

Please see dates and times listed below and the specific type of session for each date.
