

## Pearson School of the Year Silver Award Winner 2020

We are delighted that Whitefield Primary School has been awarded the Pearson School of the Year Silver Award.

Thousands of schools were nominated for the award and after a rigorous assessment process Whitefield has won one of only 3 national silver awards.

I would like to thank you for your constant support for the school and your wonderful children.

Education is about enabling all children to be the best they can be. At Whitefield we work in partnership with our community, businesses and parents and carers to make sure that our children achieve 'Nothing but the Best'.

School is much more than a building; it is a community and I am very proud of everyone who makes our school such a special place.

We have celebrated in school today and as soon as we are able, we will celebrate with all the members of our Whitefield family.

With best wishes

Mrs Wright Headteacher
