

AHS School Statement

Aylesbury High School offers every girl a balanced and broad curriculum which is forward-looking, innovative and of the highest academic quality.

Our staff set standards of excellence for themselves and for their students, helping each girl to reach her full potential and recognising her individual needs.

Through the formal curriculum and through a planned programme of activities outside the classroom, we cultivate self-confidence, independent thinking, tolerance and a sense of responsibility in our students.

We believe that learning is enhanced by a happy, friendly and secure environment characterised by co-operation and mutual respect.

The school provides opportunities for girls to develop their skills and their ideas through the arts, sport and recreation, House activities and community involvement.

In all that we do, we aim to prepare girls for life in the fast-changing world of which they will become adult members, ready to play an active and positive part in the local, national and international community.
