**Date: Wednesday 16 May**

**Location: S3**

**Time: 8.50am**

#### **Chromebooks/BYOD and Mobile Phones**

We would like to see if you have any questions about the new Chromebook/BYOD policies coming in September and gather your thoughts on how we should change the mobile phone policy in line with this.

<b>1</b>	Do you have any questions about the Chromebook/BYOD requirements for September?
<b>2</b>	Do you have any questions about how the system will work in practice?
<b>3</b>	Please look through the draft policy for mobile phones and suggest any improvements. Please note this is a draft policy and nothing is yet finalised. We wanted something for you to comment on rather than having an open question on what should be included in the policy.

Please could the Student Voice rep email comments in advance of the meeting where possible to [studentvoice@ahs.bucks.sch.uk](mailto:studentvoice@ahs.bucks.sch.uk)
