<b>Praise and Reward</b>	
<b>1</b>	How do you know when you are awarded a merit (or in KS5 a Student Academy Award) and how can we improve this?
<b>2</b>	We want merits/Academy Awards to be meaningful but also awarded sufficiently to be achievable. With this in mind, how many merits (or Student Academy Awards if you are KS5) should an <u>average</u> student achieve in a week?
<b>3</b>	Are there other forms of reward at school you particularly value?
<b>4</b>	Merits and Student Academy Awards are counted each year and get turned into House points. How could we make more of this in House Assemblies?
