## Alumna Lucy Everson Visits Our Sixth Form

We were delighted to welcome back to AHS one of our recent **Alumna, Lucy Everson**, to our Learning 4 Life and Current Issues initiative with our Year 12 and Year 13 students on World Health Day.

Lucy has always had a keen interest in dance and fitness and regularly featured in House Dance. After AHS she followed her heart and her passion and studied Dance at Bath University. Having graduated, Lucy then went on to become a professional dancer before teaching Zumba and personal fitness. She is now Sales Manager at DW Fitness. In Aylesbury.

Our Sixth Form students heard from Lucy the value of keeping fit and healthy and how this positively benefits everyone in their daily lives. She finds that even on her worst day, exercising for just 20 minutes has a very calming effect, clearing her mind and reducing any stress.

This message was especially important for our students, as they prepare for their A Levels. We asked Lucy how she believes being a student at AHS helped her to achieve her success in her career. She shared that she felt that her AHS education really helped her to be a confident person. By being challenged constantly, she learned to rise to any challenge set before her which in turn enhanced her self-confidence. She brought this ethos to her auditions and to establish herself in a very competitive career. Truly a woman who inspires!

## Our AHS Archive: The Missing 1980s!

Thank You to everyone who has so far responded to our request for help to establish an Archive of our school's history.

Increasingly, many of you are now visiting AHS to meet with students at assemblies and careers events. For which we are very thankful.

Over 150 Alumnae have so far offered their support and we are now looking at more ways of cataloguing, collating and saving our archive information, so that

we will be able to share this information with our student, parent and alumni community.

We have now assessed our archives up to the 1990s and have identified missing information and missing memorabilia that we now need to complete our history of the school.

**Did you attend AHS in the 1980s?**

If so, we would very much

welcome any information relating to AHS in the 1980s and any copies of information or photographs that you could send to us for our archive (any originals will be copied and posted back to you).

If you can contribute any school information from that time, please contact Alison Pexton.
