

Year 7 Homework Timetable 2020-21

You will be set 30 minutes of homework in each subject each week. Do your best in 30 minutes, but do not spend longer perfecting your work - your best is good enough! We try to spread out the days your homework is set over the week, but this is not always possible. Don't worry if you have more than two pieces set for one night - you can still spread it out across the week as homework is never due in the next day. Languages and Tech may set two 15-minute homeworks instead of one 30 minute piece. Subjects not shown here, such as Drama, Music and L4L may set homework occasionally.
