

AYLESBURY HIGH SCHOOL - SCHOOL STATEMENT

Aylesbury High School's aim is:

*'To **inspire** every student to seek **Challenge**, realise their potential and **Prepare** for the world of today and tomorrow'.*

Through the curriculum and co-curricular activities, we expect all of our community to display and develop our core values:

Confidence**, **Respect**, **Engagement**, **Aspiration**, **Teamwork** and **Enjoyment

*This acronym demonstrates the importance we place on creativity, as we promote a **STEAM** agenda with **Arts** embedded in this.*

As a selective girls' grammar school, we see the academic qualifications as important but as just one facet of our holistic view of education.

We aspire to:

- Place wellbeing and inclusivity at the heart of all we do*
- Provide a wealth of opportunities*
- Achieve 'Exceptional' academic **progress** at every stage*
- Develop a first class, sustainable environment*
- Add value to the wider community*

We believe that learning is enhanced by a happy, friendly and secure environment, characterised by co-operation and mutual respect.

The school provides opportunities for girls to develop their skills and their ideas through the arts, sport and recreation, House activities and community involvement.

In all that we do, we aim to prepare girls for the tests of life, not a life of tests in the fast-changing world in which they will become adult members, ready to play an active and positive part in the local, national and international community.
