

## Summer School Summary

From 23-27 August 2021, we were delighted to hold a Summer School for our new students who were due to join AHS in Year 7. The aims of the week were to provide students with opportunities to catch up on missed learning and experiences following the pandemic and to help students to get to know their new school environment, peers and staff ahead of starting the new academic year. The week was a great success and it was fantastic to see big smiles on the faces of our new Year 7 students as they left us at the end of each day. A summary of the week and it's costings can be found below.
