

Additional Parent linked at consultation evening

An email is sent to the additional parent (from the initial parent booking), **which gives them a link and details on how to join the call.**

Please note that **ONLY the one invited guest should use this link.**

Anyone else using it (including the parent that sent the invite, who should be logging via their own confirmation email) will knock the guest out of appointments.

Here is an example of what the invite email looks like:

Video Call Invitation

Primary School Parents' Evening

You have been invited by Rachael Abbot to appointments which take place by video call.
