Oh... What a Show!

Events

After months of planning, it took just 2 days to deliver the largest careers event in Bucks to 4,500 visitors!

We welcomed over 4000 students from 30 schools, and 500 evening students/job changers. With 120 indoor stands, 10 outdoor stands, a music stage, food and refreshments area, it felt like a festival at the sun-drenched Westcott Venture Park!

The Why of Work Experience

Work Experience

The traditional two weeks where you make cups of tea and carry out some filing in the office your dad works at, is officially over. Do you know why? Because work experience is SO much more than that.

Support for Overcoming Barriers to Success

Career Guidance

What do you imagine when you think of the word 'barriers'? The most common answer is something that stands in the way. One image that comes to mind is a Ninja Warrior Course – full of obstacles to overcome in order to reach the finish, as well as different pathways to get to that all important destination, where you can then finally bask in your success.

5 Responsibilities of a Top Class Cinematographer

Creative Industries

The National Film and Television School are holding a series of Career Clinics throughout March 2022. The last one in the series is about Cinematography. But what is it and what exactly does a Cinematographer do?

Cinematography is an essential part of film-making - visual storytelling is emphasised alongside the art of creating mood and evoking emotion through the right combination of composition, lighting, camera angles, colour and more. This is why cinematography is essential to the film-making process.
