

## Year 7 Homework Timetable 2022-23

You will be set 30 minutes of homework in each subject each week. Do your best in 30 minutes, but do not spend longer perfecting your work - your best is good enough! Art homework can often take longer and because of this they will give you two weeks for homework where possible. We try to spread out the days your homework is set over the week, but this is not always possible. Don't worry if you have more than two pieces set for one night - you can still spread it out across the week as homework is never due in the next day. Languages and Tech may set two 15-minute homeworks instead of one 30 minute piece. Drama will set one homework per term. Other subjects, such as Music and L4L may set homework occasionally. Homework should not normally be set for the following day.
