

AHS values represented through FACT...

"FACT is a safe space for people of all different neurodiversity types to enjoy lots of different and awesome activities which include things such as baking and decorating, art, story games, watching movies and team activities. Everyone there is so friendly and such lovely people, I always feel safe and accepted!." - *Year 11 student*

Enjoyment

Engagement

Teamwork

Respect

"I enjoy Fact because it is welcoming to all people and is just really fun especially if you are stressed or worried about anything. It's also easy to find people with the same interests; which then makes it easy to make more friends as well! We are all very inclusive and fun, as people alone but even more as a community." - *Year 7 student*

Confidence

Aspiration
