Technology Colours

To achieve Technology colours, students may show the following skills in **Food Technology, Textiles, DT/Engineering and /or Computing**

Here is the *indicative* criteria for what Colours might be awarded for. It is not designed to be an exhaustive or prescribed list; Colours are awarded by teachers in recognition of outstanding student commitment and contributions over an extended period of time. It is down to the discretion of the subject teams to deem which students will be awarded Colours in a particular year.

Bronze	Silver	Gold
Years 9-13 Students have committed and made exceptional contributions for at least 2 years	Years 10-13 Students have committed and made exceptional contributions for at least 3 years	Years 12-13 Students have committed and made exceptional contributions for at least 4 years
- General contribution towards department (e.g. helper at open evening or options fair) - Activity leaders or KS3/4 ambassador - Excellent attendance/commitment to a technology club - Subject mentor/buddy - Smaller scale competition prize winner/contributor - Excellent academic progress in subject - Contributions to other non-class activities (e.g. involvement in House Technology events)	(Bronze) commitment for 2+ years And/or - Subject Ambassador or leading lower years at open evening - More significant competition contributor/winner (e.g. top in school for F1, Green power, Bebras) - Representing out of school/locally	(Bronze/Silver) Commitment for 4+ years - Significant contributions to department, such as a highly committed Subject Ambassador - Representing out of school nationally
