

AHS Colours

We recognise that students get involved in a wide range of co-curricular activities that do not always readily fit within a specific subject area. AHS Colours may be awarded to students who have made a significant contribution to an area within the School.

Here is the *indicative* criteria for what Colours might be awarded for. It is not designed to be an exhaustive or prescribed list; Colours are awarded by teachers in recognition of outstanding student commitment and contributions over an extended period of time. It is down to the discretion of the subject teams to deem which students will be awarded Colours in a particular year.
