

Welcome to our Open Event

Thank you for taking the time to visit us here at AHS, the only girls' grammar in North Buckinghamshire. We believe that girls' schools are more relevant today than ever before, because girls' schools are places where girls take centre stage, where they can seek challenge without fear of failure. We focus not only on what is learned, but also on how it is learned; our students are encouraged to embrace every role and subject and, as a result, they learn to trust in their own abilities. We are also a strong and thriving community which embraces diversity, where each individual is respected and cared for.

Our students evidence our AHS values on a daily basis, they are our greatest ambassadors. So, whilst our results speak for themselves, our students speak for us and we are delighted that you have given us the opportunity to share this with you. Please, on your tour, speak to any staff or students either in subject areas or as you move around the School. The Leadership Team are on hand to answer any further questions that you might have, and we also invite you to email us at office@ahs.bucks.sch.uk if we can be of further help.

We hope you enjoy your visit, your family are very welcome at AHS.
Marieke Forster

Your move from primary to secondary school is a major turning point in your education. This important transition is both exciting and a little daunting - for you as well as your parents! Your teachers and our experienced pastoral team, including your form tutor and a great wellbeing team, aim to help you to settle into our community as quickly as possible and to develop your enjoyment of learning. Our two induction days in July, our summer camp and a staggered start in September all help you transition smoothly. I hope that what you see and hear on your visit will show that at Aylesbury High School we offer all our Year 7 students a warm welcome as well as plenty of challenges. I look forward to meeting you.

Jo Quesne, Head of Year 7

Why choose AHS?

Vision: Developing uniquely talented young adults, who are independent, strong and confident

Mission: A girls' grammar school creating a welcoming environment which draws the very best from all in our community. Achieved by providing an ambitious education that stimulates creative and critical thinking, values diversity and facilitates dynamic personal development.
