Rationale

Our uniform shows that we are part of the Boroughbridge High School. We have the highest expectations from our students with regards to school uniform and appearance, and strongly believe that our high standards provide a sense of belonging and identity, promote positive behaviour, support effective teaching and learning and contribute to the ethos of the School.

Aims and objectives

The Boroughbridge High School Uniform aims to:

- identify the children within Boroughbridge High School;
- engender a sense of community and belonging to the School;
- instil a sense of pride and loyalty in the School;
- make children feel equal to their peers in terms of appearance;
- is practical and smart;
- is fair and promotes equality taking into account protected characteristics.

Guidelines

1. All students should wear the uniform when attending School and when representing the School.
2. We ask all parents who send their children to Boroughbridge High School to support the School Uniform Policy. Parents should send their children to school dressed correctly, ready for their studies,

ensuring that the uniform is clean and in good repair. To support parents we have a pre-loved uniform store which is stocked mostly with donated items of uniform. These are washed and ironed before being put into the store. Students and parents/carers can access this and are asked to make a donation if they are able to.

3. All staff at Boroughbridge High School should support the School Uniform Policy by promoting and maintaining high expectations with regards to uniform and appearance in lessons.

4. The Governing Body is responsible for implementing the School Uniform Policy. It liaises with the Headteacher to ensure that the policy is implemented fairly and with sensitivity, and that it meets all regulations relating to equal opportunities.

5. Boroughbridge High School welcomes children from all backgrounds and faith communities. If any parents would like the School to modify the uniform policy (e.g. on religious grounds), they should make a written representation in the first instance to the Headteacher - the Governing Body will consider such requests sympathetically.

Non-compliance with the School's Uniform Policy

6. Parents of students who do not wear the correct uniform will be in the first instance contacted by school and given adequate time to amend their child's uniform. In the interim, students will be asked to wear uniform from the pre-loved uniform store. Subsequent non-compliance may result in a student being sent home to correct their uniform. In such instances, parents will be contacted by the School to inform them of this. Where it is not deemed appropriate to send a student home, the student could be taught in isolation at School until such compliance.

7. Students who wear excessive make-up/nail varnish or excess jewellery will be asked to remove these. Items of jewellery may be confiscated by the teacher.

8. Persistent and defiant non-compliance with the School's Uniform Code may result in suspension.

Please note that many retailers sell fashion garments labelled as school uniform but these items do not necessarily meet the School's requirements. If in doubt, please contact the School.

Conclusion

Boroughbridge High School is very proud of the high standards we achieve in all areas of school life. Students represent not only themselves but also their families and communities, and we therefore ask that students maintain a high standard of appearance and wear their uniform with pride at all times.
