Dear Parent / Carers

Parents/Carers of Year 10 and 11 students taking GCSE PE

Just a quick message to let you know about the after-school activities on offer to GCSE PE students. The sessions on offer are the same as the extra-curricular timetable you will have received last week; Netball – Monday, Badminton – Tuesday & Football - Thursday. All sessions will be straight after school until 4:45pm. There is also an additional Badminton session on a Wednesday lunch time for Year 10 & 11 pupils that they can attend too. This provides an opportunity for those that might have transportation difficulties after school.

These sessions, although not compulsory, will provide an invaluable opportunity for pupils to receive examination standard instruction in these sports. This helps provide additional sporting practice for GCSE PE students to engage in these team sports to a high level. All of these sessions will be delivered in line with, and refer to, the exam specification throughout to ensure that pupils are as well prepared as possible for their practical assessment within these activity areas. Pupils do not have to attend activity sessions but it is highly recommended they attend some of the sessions as and where possible.

We hope that your child can attend these sessions and take advantage of this opportunity that will help them develop in their practical performance. We thank you in advance for your understanding and support with this.

Yours faithfully

Mr Field
