

# Boroughbridge High School

11<sup>th</sup> October 2023

Dear Parent / Carer

## **Attendance information leaflet – Every School Day Counts**

One of our key priorities is help students get the best attendance possible because we know the difference that it can make to their exam results and life chances.

We'd like to thank you for your continued support in ensuring that your child attends school punctually and regularly. We appreciate that there are times when it can be challenging to get them in so we have put together some information about attendance with some tips about how you can help support good attendance.

There is also a short video about the importance of school attendance on the school's website – just click the link below.

We have conducted assemblies with all of the students to reinforce the importance of good attendance and spoken to all of our staff to repeat the same message. We would like you to reinforce this message with your child, as working together we believe it will have a greater impact.

Please do not hesitate to get in touch if you would like to discuss your child's attendance or if you would like any support to help improve their attendance.

Yours faithfully

Mr Rob Grierson  
Deputy Headteacher
