

KING JAMES'S SCHOOL

KNARESBOROUGH

15th December 2023

Dear Parent/Carer,

I would like to take this opportunity to introduce myself as the Director of Sixth Form at King James's School, and outline the plans, as things stand, for providing the information, guidance and support about joining the Sixth Form at King James's in September 2024.

Last week I visited Boroughbridge High School and delivered a Sixth Form options assembly to all of the YR11 students. Explaining the process for applying and highlight the sources of information and research they need to do to make an informed choice. I am pleased to say that our Sixth Form Prospectus for 2024 is now available on our [website](#) and [here](#):

<https://king-james.co/6thFormProspectus2425/>

and contains all of the details about applying, the subjects we offer and the all-important entry requirements. I plan to make a number of follow up visits over the coming months to ensure I can provide any interested students with the individual advice they need.

I hope that I will be able to invite you and your son/daughter to our Sixth Form Open Evening, which is being held on **Thursday 18th January 2024** between 6.30–8pm. The evening gives you an opportunity to meet with the Sixth Form team, subject teachers and current students to discuss the options available within the Sixth Form at King James's. Open Evening is an important step in the process, which will help students make an informed choice for the next phase of their studies. The application deadline is **Friday 23rd February 2024**.

We are also planning a 'Year 11 Taster Day' on **Wednesday 7th February 2024** where students will have the opportunity to 'try out' subjects they may want to study in the Sixth Form. I will provide more details about this in the new year.

Throughout this process, if you have any further questions or need any advice, please email your query to sixthform@king-james.co.uk and a member of the Sixth Form Team will be in touch.

I look forward to welcoming you to King James's School early in 2024.

Yours faithfully

John O'Hara, Director of Sixth Form
