

Boroughbridge High School

21st October 2024

RE: Year 7 Geography fieldtrip.

Dear Parent / Guardian,

In order to help pupils understand this half terms work on settlements, and to develop the student's awareness of the local area, the Geography Department has organised local fieldwork for all students in Year 7.

This will involve a short walk into the town centre visiting three sites around Boroughbridge and completing sketches, maps and counts in a work booklet.

The visit will take place during the school day during a geography lesson and one other lesson, as follow:

- 7A (Mr Atkinson) – Friday 8th November period 4 & 5
- 7B (Miss Stephenson) – Friday 8th November period 1 & 2
- 7C (Mrs Gomersal) – Wednesday 6th November period 1 & 2

Your child will be told which is the correct date/time for their group in lessons.

The students will be outdoors for **2 hours** so a **warm** and **waterproof** coat to wear on top of their school uniform will be required. All groups will be at school for lunchtime but students may bring a snack and drink.

I would be grateful if you could give consent for your child attending this trip via ParentPay.

If you have any questions about this fieldwork, please do not hesitate to contact me.

Yours sincerely,

Mr S Atkinson
Head of Geography
