

Boroughbridge High School

January 2026

Year 10 and 11 Revision Information and Progress Exam Timetable

Dear Parent/Carer

The second set of progress exams for KS4 will run from Friday 6th March to Friday 13th March. This will include English, Maths and Science for Year 11 pupils and optional subjects for both Year 10 and 11. Please see the exam timetable and revision information list attached. This will aid students with their revision for the upcoming progress exams and also give you the information you need to support your child.

For further support, please refer to the revision information booklet shared in October containing useful sites and resources to help direct students focus if they are unsure of where to start. Teaching staff will also be supporting students with revision within lessons.

Yours faithfully

C Bauwens
