Dear Parents/Carers,

Next week is going to be our next Attendance Week. It is a week to celebrate good attendance and talk about how we can improve attendance.

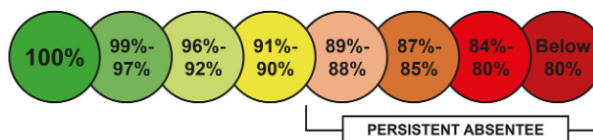

The following prizes will be on offer:

- 100% attendance stickers for every child who attends school everyday and arrives on time
- Children who attend all week will be entered into a prize draw
- Each class will have 2 prize draw winners who will each win a special attendance pencil
- Each phase will have 2 prize draw winners who will each win a £5 voucher
- The highest attending year group in each key stage will win a golden ticket

Currently our school attendance is 91.1% which is on the rise but still well below the government expectations. I know that we can all work together to improve our attendance. Let's do it for the children!

## ATTENDANCE MATTERS

On Time: First Time, Every Time

Which CIRCLE are you in?

Yours Sincerely

Mrs Grant  
Deputy Headteacher
