Spring Term | Late March 2023

Message from Amelia Smith

Dear Parents/ Carers,

There have been lots of exciting things happening this term but perhaps some of the most memorable are the outcomes

of all REAL LiFE missions.

For many of these we have been able to welcome parents into school to see the fantastic learning that the children have been doing. The mission outcomes have been very well attended. The quality of the learning is excellent.

In this newsletter you will find further information and photos about some of the latest REAL LiFE missions.

Year 5 have also completed a mission to redesign the sports hall. They presented their designs to representatives from the MAT - Chief Finance Officer, Facility and Programmes Leader and a design consultant (the same one that designed our Braunstone Frith logo). Two designs were chosen and a combination of these used to revitalise the sports hall – once finance has been agreed! The children were very persuasive!

Enjoy reading all our BF news! Have a great break over the holiday and we look forward to seeing you back at school on Monday 17th April.

Amelia McSmith

Storytellers Real LiFE Mission

Year 1 children recently took on a REAL LiFE mission to become storytellers.

They thought of different ways they could entertain their community and watched a puppet show for inspiration.

The children then prepared for their Teddy Bears' Picnic by filming themselves making sandwiches. Afterwards they edited their films on iMovie, snipping their clips and adding a voice over. To further prepare for their REAL LiFE mission of becoming Storytellers, Year 1

children worked hard in DT to join fabrics and create their own puppets ready for their show which was performed to parents/carers who visited the school.

After performing, the children shared their knowledge of animals, how they made their glove puppets and enjoyed jam sandwiches with the grownups.

We Are Conservationists Real LiFE Mission

Year 4 pupils recently took part in a Real LiFE mission to become conservationists.

The children visited the forest school area to find out the school grounds' habitat. Year 4 also worked with Earthwatch to plant over 600 trees and shrubs which will create a tiny forest within our school grounds.

Our Real LiFE Missions link children's learning across the curriculum and in Year 4 Design and Technology, the children have enjoyed designing and building bug hotels in their mini-crews. They had to use many of the REACH-IT attributes in

order to successfully achieve the goal together.

The Year 4 pupils brought their computer learning to LiFE by creating

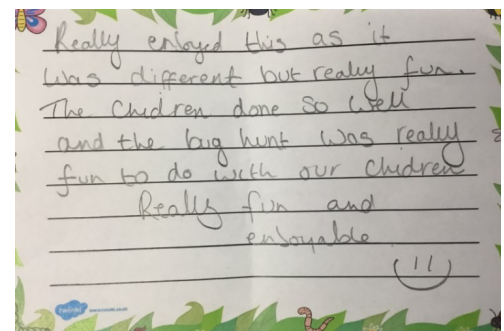

Blogs about their Real LiFE Mission. A blog, short for weblog, is a frequently updated web page used for personal commentary or business content.

Our Real LiFE Conservationist Mission has allowed Year 4 children to become

advocates for the protection of our local habitats by all taking part in a showcase event where the children shared their learning with their parents/carers.

When the parents of Year 4 came to the showcase event, they were impressed by the children's passion about being conservationists and protecting local habitats.

Climate Guardians

On Tuesday 21st March the children in Year 3 celebrated becoming Real LiFE arborists.

They showed their families around our 'Tiny Forest' and explained why trees are important.

The presentation showcased their wider curriculum learning and ended with visitors planting an acorn and leaving with the knowledge of how to help all plants thrive.

Mr Taylor

Eco Ambassadors

On Friday 17th March, the Eco Ambassadors met with Liz Kendall (who is Labour MP for Leicester West) to showcase the work we have been doing so far this year.

She enjoyed learning about our aims to improve biodiversity and how we are going to promote recycling at school. She even tweeted about us afterwards!

The Eco Ambassadors,

Space Centre

Western Park had an amazing time at the National Space Centre. The adults at Western Park are so proud of how well the children represented the school and made the most of their trip. Well done!

Holiday Activities & Food Scheme

Clubszone are working with the local council for the Easter Holiday and Food (HAF) Scheme. Pupils who attend Braunstone Frith Primary will be prioritised but there are limited places. If you would like your child to attend please ensure you sign up, as it is a first come first serve basis

This is a very exciting opportunity and there are fully funded spaces for Free School Meal eligible pupils, if you choose to apply, the place is for 4 days on Monday 3rd, Tuesday 4th, Wednesday 5th and Thursday 6th April, during the first week of the Easter Holiday. All activities and a lunch will be provided on each day.

If your child is not entitled to Free School Meals they can still attend and there will be a £20 charge for each day your child attends. This will include lunch. These paid spaces are also limited and are on a first come first serve basis.

The link below provides information on where other HAF programmes are running across the city:
