

Provision of PE and Sport

- BFPA believes that Physical Education plays a vital role in contributing to a child's physical and emotional development and well-being. We believe that PE lessons at our school provide a platform to encourage and motivate our children in extracurricular sporting participation.
- As a school, we aim to provide as many sporting opportunities as possible for all of our pupils, both within the curriculum and outside of it, as well as competitive opportunities.
- Physical movement of any kind is fundamental in allowing our pupils to grow into healthy and active children.
- Currently we offer a wide range of sports across the school including football, basketball, dodgeball, multi-sports, rounders, athletics, cricket, yoga, dance and movement and badminton.
- This proposed spending will enable the school to build on the quality of our PE and sports provision.

Our vision for PE and sport

As a school we will:

- Develop a sustainable and coherent sports programme throughout the whole school.
- Raise the confidence level of teachers delivering PE lessons as well as support them to become competent in doing so
- Offer a broad and balanced PE programme which is accessible to all.
- Ensure that all groups of pupils are inspired by what we offer and participate in both individual and team activities.
- Increase our frequency and quality of sporting activities and build on what we already offer.
- Carefully target disengaged pupils and develop their interest in a range of physical activity
- Increase our participation in competitive team sports within Leicester.
