

5th February, 2024

Dear Parents/Carers,

As you are probably aware, it is Children's Mental Health week this week in school.

The theme this year is 'My Voice Matters' and this has been shared with children in the Monday assembly. There will also be various activities throughout the week.

To celebrate, pupils would like to have a non-uniform day on Friday 9th February. The theme will be '**Wear what makes you happy**'. There is absolutely no need to buy anything new so any non-uniform clothes are fine.

However, we do ask that children **do not** come to school in pyjamas or muscle suits.

Thank you in anticipation of your support,

KDuggan

Mrs K Duggan
