Message from Naomi Grant

What a half term it has been! I want to say a big thank you to all involved in the Ofsted inspection. We had a very fair team and they worked through the process with us very well. The report will

competition entries in the foyer. We have continued to invite you into school to join in and see what your children are learning. We will continue this and make as many opportunities for you

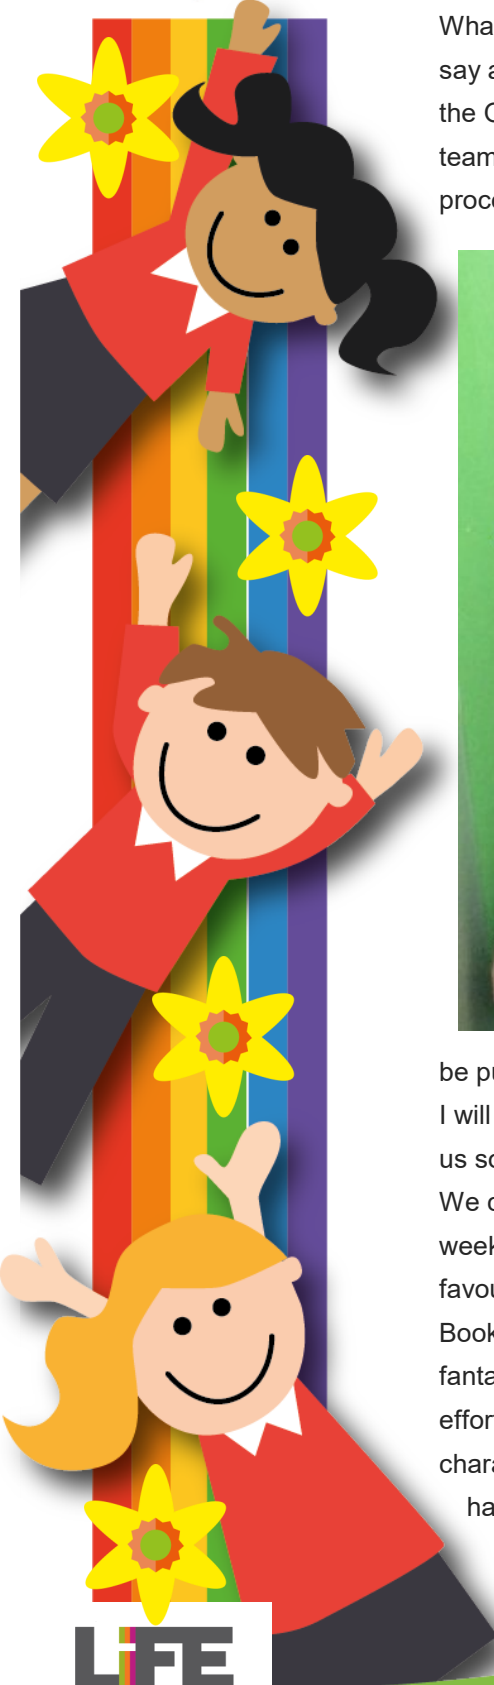

be published in due course. I will say that each and every child made us so proud, as they do everyday. We celebrated the end of that very busy week with Red Nose Day and my favourite kind of day - non-uniform! World Book Day was also a success and it was fantastic to see the amount of time and effort the children put into their toilet roll character creations and costumes. We have a beautiful display of the

to come into school as often as possible. I hope you all have a very lovely Easter, spending quality time with family and friends. I look forward to seeing everyone on Monday 8th April.

Speech & Language

Earlier this spring term we welcomed Reception parents into school to look at how children's speech and language develops in their early school years. Our in school Speech & Language Therapist Mrs Ford gave parents lots of strategies on ways to support language development through everyday activities. Parents then joined their children in their classrooms to put some of the hints and tips into practice.
