  **Summer Term | Early May 2024**
Message from Naomi Grant

Dear parents,

Following the publication of our Ofsted report, I am pleased to once again share that the inspectors judged Braunstone Frith Primary Academy as a 'GOOD' school. I am so proud of this judgement because it is so deserved of our staff and of our children, they were brilliant!

The judgement is based on the hard work of everyone day in, day out, not just the inspection days. If you haven't had a copy of the report, you can find it on our website.

So far this term, Year 4 have been to the New Walk Museum and 25 Year 5 pupils went to Conover on their residential trip. They had a great time and represented the school very well. Pictures are further into this newsletter. I hope parents enjoyed the use of Class Dojo throughout the Conover trip, we were able to

keep parents up to date in real time which was an improvement on previous years. We have recruited a new Attendance Officer in school recently, her name is Jane Rose and she will be working directly with parents to improve attendance and late arrivals to school. You can find her in the playground when the gates open on Wednesdays, Thursday and Fridays. She will also be in reception speaking to parents of late arrivals. It is so important for your children's education for them to be in school, on time, everyday.

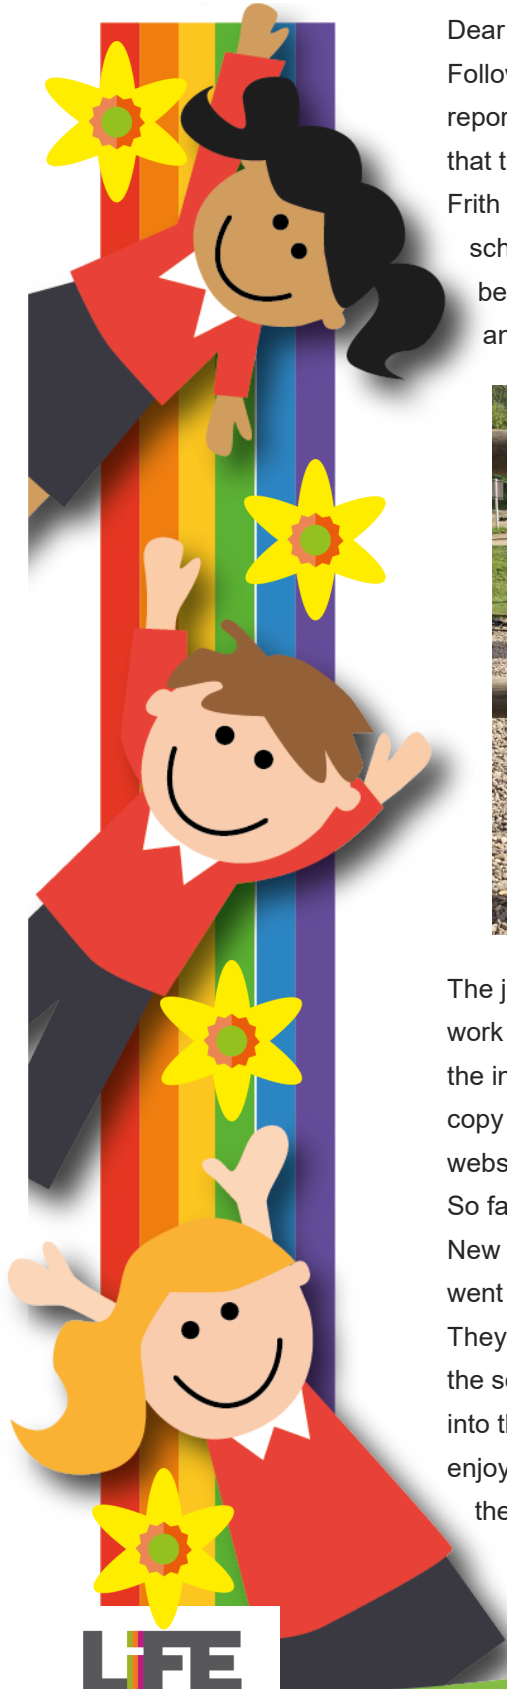

I wanted to take the time to remind all parents about our Wraparound care offer through Clubzone. We are offering breakfast club and after school care including lots of exciting activities and snacks. Please get in touch with the School Office for more information.

Year 6 SATs begin on Monday 13th May for four days. The children have worked so hard all year and we know that they are all going to do their very best.

We have had a glimmer of sunshine over the last few days and hopefully it's the start of some better weather so you can get outside with your family and friends.

**Mrs Grant,
Head of School**

Condover Hall 2024

Our Year 5 pupils had a great time at Condover Hall recently as they scaled Jacob's Ladder, played laser quest, took on the grid of stones and had fun in Telford Park.

All pupils enjoyed the activities and made plenty of memories.

Stephen Lawrence

Monday 22 April was Stephen Lawrence Day and we remembered the life and celebrated the legacy of Stephen who was murdered in 1993. We did this by wearing clothes with a splash of orange which was Stephen's favourite colour. We spent time thinking about our hopeful futures where every child in school created a postcard about what a hopeful future meant to them.

Attendance Champs

Well done once again to Smart Squirrels and 6F who were our Attendance Champions for the second half of the Spring 2024 term after having the highest attendance. Who will claim the trophy next?

Attendance Officer

A big Braunstone Frith welcome to our new Attendance Officer Jane Rose. Mrs Rose will be in school on Wednesdays, Thursdays and Fridays. She is looking forward to meeting our families and supporting our mission to improve attendance and lateness.

Headteacher Awards

Well done to all pupils who earned Headteacher Awards last term.

Exciting Electricity

Children in Years 4, 5 and 6 were invited to take part in an exciting Science show all about electricity.

The show was hosted by representatives from the Royal Navy, Royal Air Force and BAE Systems (who build and design planes, submarines, rockets and lots more).

During the presentation, the pupils were very engaged, answering questions, taking part in some of the experiments and demonstrations. They learnt about conductors and insulators, the different poles of magnets and, of course, lots about electrical safety.

At the end of the show, Mr Naylor wowed the crowd by peddling so fast on a bike to generate electricity because he managed to achieve a staggering 500kw - he was also staggering by the end!

In the Summer term, we look forward to learning more in our Science lessons - hopefully some of the pupils will develop green fingers!

New Walk Museum

Our Year 4 pupils were able to go back in time recently as they took a trip to New Walk Museum in Leicester.

Everyone enjoyed the exhibits which included those on Ancient Egypt.
