16th May 2024

Dear parents/carers,

In recent weeks it has become apparent that more children have been bringing their mobile phones into school. The rule is that phones can be brought to school in **exceptional circumstances** (e.g. if a child walks a long way on their own, travels by bus on their own, stays with a different parent at the weekend).

Children are **not allowed to keep their phone on them** during the school day. They must be handed to their teacher as they arrive in the morning, who will take it to the office to be kept safe until the end of the day. The **safety** of our pupils is paramount and there is a safeguarding risk if children have their phones.

It is not necessary for the children to bring their phones to school just for the entertainment value it brings on the way to/from school. This is not an exceptional circumstance. We need your support to prevent this from happening.

For the next academic year, we plan to update our policy but we will update you on this in due course.

Thank you for continuing support,

Mrs Grant  
Head of School
