  **Summer Term | Late May 2024**

## Message from Naomi Grant

Dear parents,  
I want to start by saying how proud I am of all our Year 6 children who worked their socks off in the SATs last week. It is always a tough week but they really were brilliant.

Speaking of Year 6, we almost had to cancel the Year 6 fun day at the end of the year due to lack of payment. I am very grateful to Natalie Constant (Jaida's mum) who did some rapid fundraising to secure a further £100 and save the fun day! Thank you from everyone at school.

You will probably have noticed quite a bit of fundraising happening in school this year. Budgets no longer allow us to subsidise trips and events as much as we have previously. The cost of living has affected transport costs too so unfortunately the cost of trips are more expensive than ever. We are grateful for you getting involved in any of the fundraising events that you are able to as this will help trips, events and transport for your children.

You may have heard about the General Election on 4th July, there will be a

polling station in school open from 6am - 10pm.

You will see later in this newsletter that there are a lot of dates coming up next half term. There are plenty of opportunities for you to get into school and I look forward to welcoming you. More information will come out closer to the events.

Next week is half term, I hope the sun comes out again and you get to spend some much needed time with your family and friends.

See you back on Monday 3rd June.

**Mrs Grant,  
Head of School**

## Girls Football

The girls football team recently competed in the Pokemon Cup Tournament at Aylestone Recreation Centre.

With 4 wins, 1 draw and only losing via a penalty shootout, we finished 3rd overall out of the 13 teams on the day.

One of the team (Zilan) was also spotted by a scout who would like her to join the Leicester City Girls Academy and has invited her to train with them. Well done Zilan!

## Real LiFE Mission

Year 3 have been trying to raise money for their Real LiFE mission.

They invited in Joe and Merryn in from IMA Architects and Mrs Grant to see if they would be able to donate money towards our goal of becoming landscapers and redesigning an area of the playground.

The pupils did a fantastic job presenting to our guests and taking them on a tour of the playground.

As a result, IMA Architects have kindly donated £200.

Well done Year 3!

## Year 4 Disco

Our Year 4 pupils had a great time recently at the Year 4 Disco!

## Year 1 DT

Wise Owls have been learning about wheels, axles and axle holders in their DT lessons. They were challenged to use their knowledge to make a vehicle that could be pushed forwards and backwards.

## REACH IT

Well done to pupils who have shown great REACH IT and reading so far over the last few weeks.

## Year 5 French

On Monday 20 May we had a special French lesson as Year 5 pupils were taught by Year 8 students from Bosworth Academy.

Through the magic of technology the Year 8 students from our LiFE MAT school, Bosworth Academy, were able to teach our pupils all about the family. This special session saw our pupils learn the phonics of the French language related to members of the family. Our pupils enjoyed the interactions of this virtual session.
