## Message from Naomi Grant

Hi everybody!

I hope you had a great half term break and spent time with family and friends. Last half term was jammed-packed as usual at Braunstone Frith. In school we have been working hard to set high expectations with learning and behaviour, we will continue this throughout the new half term.

I was thrilled to find out that we had a whole class with 100% attendance for a full week last half term - well done 5SM! Attendance in school is so

important for your child's learning. We are determined to improve our attendance at school and, in doing so, maximise the learning of all children. We need your help to do this - please bring your children to school EVERYDAY!

Obviously, if they are really poorly, there may be times when they need a day off, but make it one day, not a week. If they are a little 'under the weather', bring them in and we will keep an eye on them. We will call you if they aren't well enough to be here but children usually 'perk up' after they get here!

Also, there are a whopping 175 days in

a year outside of school! This time can be used to spend on holidays, family visits, shopping, household jobs and other appointments. I strongly believe that, in school, every minute counts. I'm sure you will agree that getting a good education is

the key to our children having the best opportunities when they grow up. This is what every adult in school wants for your child.

We had parents' evenings the week before half term, it was really nice to have you all in school finding out how your children are getting on. Welcoming you all into school is one of my favourite parts of being Head of School.

I'm looking forward to more opportunities to welcome you into school between now and Christmas. Look out for letters and updates in the coming weeks.

**Mrs Grant,  
Head of School**

## Year 1 History

Wise Owls and Smart Squirrels are currently working on 'What was it like for the children in the past?' in their History lessons.

In order to support this please can you speak to your child about what your childhood was like?

If they have the opportunity to speak to their grandparents that would also be great!
