Homework

Your child will be asked to read to you 5 times per week once they are given a reading book, as well as sharing their library book with you. Homework will be set in their homework book on a Friday. Please support your child's learning by completing and returning all given homework in their homework book.

In **Nursery**, library books will be shared out with your child so that you can read them together at home.

Behaviour

Our positive behaviour system is based around the acronym 'REACH IT'! Class Dojo is a reward system we will be using in school, where each child earns 'REACH IT points' for positive behaviours, work in school and work at home, as well as areas where more work is needed. They will receive a small reward for every 25 REACH IT points. Please sign up for DoJo if you haven't already.

Independent Teamwork

Our behaviour system has 5 school rules. Our behaviour system has 5 school rules. Pupils' names start on a picture of the sun and will move to a cloud if they are breaking any of our rules.

Phonics - Little Wandle

Phonics is taught through the Little Wandle scheme and you will be invited in to find out more about it. There are videos on the Early Reading page in Learning on our school website.

The BFPA curriculum

We have worked hard to develop our curriculum so that children can become 'Positive Thinkers and LiFE Long Learners.' We have incorporated 7 key principles into our curriculum to ensure all subjects promote and develop this goal. There is more information about these principles on our website. Oracy and communication is at the heart of what we do in the Early Years.

Foundation Stage – Autumn Term
