#### TRUSTEES' REPORT FOR THE YEAR ENDED 31 AUGUST 2017

The Trustees (also known as Governors) present their Annual Report together with the financial statements and auditors' reports of the charitable company for the year ended 31 August 2017. The Annual Report serves the purposes of both a Trustees' Report, and a Directors' Report under company law.

The Trust operates an Academy for pupils aged 11 to 16 serving a catchment area in Hinckley, Leicestershire. It has a pupil capacity of 555 and had a roll of 921 in the school census on 1 October 2017.

#### STRUCTURE, GOVERNANCE AND MANGEMENT

#### Constitution

The Academy Trust is a company limited by guarantee and an exempt charity. The charitable company's memorandum and articles of association are the primary governing documents of the Academy Trust.

The Trustees of Redmoor Academy are also the directors of the charitable company for the purposes of company law. The charitable company is known as Redmoor Academy.

Details of the Trustees who served throughout the year except as noted are included in the Reference and Administrative Details on page 1.

#### Members' Liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

#### **Trustees' Indemnities**

Governors benefit from indemnity insurance to cover the liability of the Governors which by virtue of any rule of law would otherwise attach to them in respect of any negligence, default or breach of trust or breach of duty of which they may be guilty in relation to the Academy Trust. The cost of this insurance in the year was  $\mathfrak{L}1,176$ . (2016:  $\mathfrak{L}634$ ).

#### Method of Recruitment and Appointment or Election of Trustees

Recruitment of Governors is outlined in the Memorandum of Articles. The Members may appoint up to four Governors. The Governors may co-opt up to four Governors. The appointment of staff Governors three is via a process of a staff ballot. Appointment of Parent Governors five is made via parent ballot. The School's Principal is a Governor by right.

#### Policies and Procedures Adopted for the Induction and Training of Trustees

Governor training is through a menu of extensive specialised training available via the Leicestershire County Council's 'Governor Development Services' which the Academy Trust buys into on an annual basis. They include training courses tailored specifically for new Governors. The Academy has also produced a comprehensive 'Governors' Induction Handbook'. In order to understand their roles, meetings with the Chair of Governors and the Principal are a requirement for all new Governors, and if required, meetings are on offer to meet the Business Manager.

### TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 AUGUST 2017

#### **Organisational Structure**

The Academy Trust has at present 4 Members who are responsible for the overall running of the Academy Trust. They also have the strategic role monitoring the current and future direction of the Academy. They are in turn responsible to the Board of Trustees. They have a responsibility to produce an annual report to the Auditor and to recommend to the Board of Trustees the allocation of the annual budget received from the Education and Skills Funding Agency. The structure is made up of:

- 1. Four Trust Members who are also members of the Board of Trustees;
- The Board of Trustees:
- 3. A committee structure consisting of:-

#### 3a Finance and General Purposes Committee

- Remit includes Finance, Personnel and Health & Safety
- Membership is comprised of self-selecting Governors
- The committee meets six times per year or, more frequently as required and report to appropriate committee and/or Board of Trustees

#### 3b School Standard Committee

- Remit includes Attainment, Behaviour & Safety and Teaching and Learning
- Membership comprised of self-selecting Governors
- The committee meets six times per year or, more frequently as required and report to appropriate committee and/or Board of Trustees

#### 3c Principal's Annual Performance Review Panel

- Membership comprised of three Governors selected by Trust Members
- Recommendations made to Finance and General Purposes Committee

#### 3d Pay and Conditions Committee

- Membership comprised of three Governors selected by Trust Members
- Meets when recommendations from the Principal regarding pay need to be considered. Pay recommendations follow performance management and are only recommended when targets have been met. Senior Management Team members (Key Management Personnel) are performance managed by an external advisor and pay recommendations are based on this.
- Meets when required to consider recommendations regarding Pay and Conditions.

#### **Other Standing Committees**

- 3e Staff Dismissal, Staff Dismissal Appeals, Exclusions, Exclusion Appeals, Complaints, Staff Appointment, Pupil Discipline Panel
- Membership comprised of Trustees but not Staff Trustees and Trustees previously involved with the individual case, they will meet as required.

### TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 AUGUST 2017

#### Other identified Roles for Governors

- SEND Governor
- Governor Training Governor
- Safeguarding Governor

Where applicable all the committees are subject to annually agreed 'Terms of Reference' or relevant policy/procedure documents.

The Trustees' role is to robustly hold senior leaders to account for all aspects of the school's performance.

The Principal and the Senior Management Team are responsible for providing effective leadership and efficient and effective management of the school. To work within budget having regard to the Academy Development Plan.

Any expenditure over £5,000 has to be signed off by a Trustee Member. The Trust's Accounting Officer is A Coombs – Principal (resigned 31/08/2017), M Nicholle – Acting Principal (appointed 23/08/2017).

#### Arrangements for setting pay and remuneration of Key Management Personnel

See arrangements as detailed in note 3d above.

#### Related Parties and other connected charities and organisations

The Academy is a single school. The Academy continues to work closely with the local family of schools including Primary and Secondary schools. The school is a strategic partner of the Thomas Estley Teaching School Alliance (TELA). The Principal is a National Leader of Education and the Academy is a National Support School.

#### **OBJECTIVES AND ACTIVITIES**

#### **Objects and Aims**

Redmoor Academy promotes high achievement and learning for life. We want all students in the Academy to:

- Realise their full potential in all areas of the curriculum;
- Gain advanced technological skills:
- Be self-disciplined and take responsibility for their own learning and actions;
- Be adaptable for the modern world;
- Become highly motivated lifelong learners; and
- Have high self-esteem respecting themselves, others and the environment.

#### **Objectives, Strategies and Activities**

- Assessment for learning / tracking student progress;
- Focus on Literacy;
- Curriculum Development;
- Academy Status:
- Developing an 11 to 16 school;
- Focus on Numeracy;
- Intervention small group support; and
- Focus on Teaching.

### TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 AUGUST 2017

#### **Public Benefit**

In setting objectives the Governors have given careful consideration to the Charity Commission's general guidance on public benefit and in particular to the supplementary public benefit guidance on advancing education.

#### STRATEGIC REPORT

#### **Achievements and Performance**

The Academy Trust is responsible for the achievements and performance of Redmoor Academy. With the School Management Team, the Trustees determine the strategic vision and ethos of the school. They hold the school to account – challenging and monitoring performance particularly the achievement of students, the quality of teaching, behaviour and safety, quality of leadership and management and ensuring financial probity and acting as a responsible employer.

Redmoor is an 11-16 Academy serving a very diverse catchment area. The Academy has experienced a significant period of change that has included a change in age range from an 11-14 High School to an 11-16 comprehensive with almost double the number of students. As a result, staffing has increased by almost 40%. Attendance of students is in line with national averages and exclusion rates remain below national averages. Student outcomes for the academic year 2016-17 were disappointing with all student groups significantly underachieving and therefore raising concerns about the quality of teaching and learning and leadership of the school.

The Trust has taken quick and decisive action, and a new leadership team is in place for the start of the academic year 2017-18. Additionally, Governance has been evaluated and a new structure has been implemented with new membership. The Trust is confident that the changes made will have the desired effect of raising standards rapidly.

#### **Key Performance Indicators**

For the period of this report, the Ofsted outcome for Redmoor Academy was Good but this is likely to be downgraded in 2017-18. Attendance of students is in line with national averages and exclusion rates remain below national averages.

Student recruitment remains very positive with Redmoor over-subscribed again for the academic year 2016-17 and for 2017-18.

Essential site development took place in 2016-17 and included the construction and operation of an eight classroom block, 4 temporary classrooms, changing rooms and a toilet block. This was in response to the rapid growth of the school. Successive CIF bids were unsuccessful and therefore this was achieved through securing an operating lease and within our annual budget.

Financial reports and budget updates and projections presented to the Finance and General Purposes Committee have shown that the Academy has continued to stay within its budget and a carry forward figure was achieved.

#### **Going Concern**

After making appropriate enquires, the Board of Trustees has a reasonable expectation that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

### TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 AUGUST 2017

#### **Financial Review and Reserves Policy**

The policy of the Academy is to carry forward where possible a prudent level of resources designed to meet the long term cyclical needs of renewal and any other foreseen circumstances, subject to the constraint that the level of resources does not exceed the level permitted by the Education and Skills Funding Agency. The Academy believes that it should aim to establish a prudent level of free reserves of around 5% of its normal annual income. For the year 2016/17 this was not possible due to the Academy being unsuccessful in securing a CIF bid for essential building works and having to partially fund these works out of other funds.

#### At 31 August 2017 the total funds comprised:

Unrestricted	l	£107,000
Restricted	Fixed asset funds	£6,873,000
	GAG	£366,000
	Pension reserve	£(1,262,000)
	Other	£15,000
		£6,099,000

The deficit on the pension reserve relates to the non-teaching staff pension scheme where, unlike the teachers scheme, separate assets are held to fund future liabilities. The deficit can be met in the longer term from any combination of increased employer or employee contributions, increased government funding or changes to scheme benefits. The restricted funds will be spent in accordance with the terms of the particular funds. Unrestricted funds are for use on the general purposes of the Academy, at the discretion of the Governors, and represent less than one month's worth of Academy expenditure. The aim of the Governors is to increase this reserve to meet future working capital requirements.

#### **Investment Policy**

To mitigate against the underfunding year on year due to increased numbers Governors have adopted a policy that the Academy would not consider investment at this stage but retain a contingency to take us through uncharted waters.

#### **Principal Risks and Uncertainties**

The principal risks facing the Academy are addressed in the Business Continuity Plan and include:

- Reputational risks;
- Performance risks;
- Financial risks; and
- Personnel risks.

Control measures are in place to manage and identify risks, the key risks being that of reduced pupil numbers, that would affect the level of ESFA funding and future Government cuts. Active promotion of the Academy is robustly maintained and through regular reports to the Finance and General Purposes Committee the budget is monitored carefully over a 3 year projected period to manage any reduction in funding.

### TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 AUGUST 2017

The principal risks facing the Academy are:

- Reputational risk The principal reputational risks are adverse publicity about the Academy caused by
  a failure of members of the school to follow established policy, procedures or practice. The risk is
  mitigated through a robust adherence to and monitoring of the Academy's policies, procedures and
  practices. In addition, the Academy proactively nurtures good relationships with all stakeholders,
  including parents and the local community.
- Performance risk The principal performance risks are that the students do not meet government floor standards in public examinations or that the school doesn't achieve a "Good" grading or better by OFSTED. The risks are mitigated through the robust monitoring of student performance, tracking of student achievement and staff performance, through Performance Management, the production of an accurate and up-to-date SEF and Improvement Plans. Identified actual or potential underperformance will result in swift and appropriate action planning to correct the situation.
- Financial Risk The principal financial risks are a reduction in pupil numbers, reduction in central government funding, unbudgeted increase in teaching or support staff costs, or unbudgeted major capital repairs. The financial risks are mitigated by establishing high demand for places at the Academy, sound financial planning based on accurate information from central government. Increasing income streams by trading expertise locally and nationally and a planned and costed programme of building refurbishment. Insurance against loss options are considered and adopted as appropriate.
- Risks associated with personnel The risks associated with personnel are long term absences, the
  failure to recruit or retain staff and staff unable to undertake responsibilities to the required standard.
  The personnel risks are mitigated by strict adherence to all HR policies, practice and procedures,
  meeting Investors in People Standards, high quality induction programmes and high quality continuing
  professional dialogues. In addition, the Academy has a positive approach to job knowledge and
  succession planning.

The Academy Trust practices through its Board, namely the Board of Trustees and the constituted subcommittees, risk management principles. Any major risks highlighted at any sub-committee are brought to the main Board with proposed mitigating actions and they continue to be reported until the risk is adequately mitigated.

The Board of Trustees accepts managed risk as an inevitable part of its operations but maintains an objective not to run unacceptable levels of risk in any area. The subjective nature of this process requires major risks to be resolved by the Board of Trustees collectively, whilst more minor risks are dealt with by senior executive officers.

#### **PLANS FOR FUTURE PERIODS**

The Academy has undergone a major age range change and subsequent size increase. As a result, further site improvements will be required and will be strategically planned by both the Principal and the Trustees. We continue to forge closer links with our local family of schools including Primary and Secondary schools and continue to explore the benefits of becoming a Multi-Academy Trust.

#### FUNDS HELD AS CUSTODIAN TRUSTEE ON BEHALF OF OTHERS

The Academy does not hold any such funds on behalf of any other organisations.

### TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 AUGUST 2017

#### **Auditor**

In so far as the Trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

Reappointment of auditors will be considered at the first Finance and General Purposes Committee of the spring term 2018.

The Trustees' Report, incorporating a Strategic Report, was approved by order of the Board of Trustees, as the company directors, on 13 December 2017 and signed on the Board's behalf by:

C Kealey
Chair of Trustees

#### GOVERNANCE STATEMENT FOR THE YEAR ENDED 31 AUGUST 2017

#### Scope of Responsibility

As Trustees we acknowledge we have overall responsibility for ensuring that Redmoor Academy has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The Board of Trustees has delegated the day-to-day responsibility to M Nicholle, as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Redmoor Academy and the Secretary of State for Education. They are also responsible for reporting to the Board of Trustees any material weaknesses or breakdowns in internal control.

#### Governance

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities. The Board of Trustees has formally met seven times during the year. Attendance during the year at meetings of the Board of Trustees was as follows:

Trustee	Meetings attended	Out of a possible
A Boak (Chair)	7	7
J Hudson	6	7
H Earp	3	7
A Coombs (Principal)	7	7
J Shilladay	6	7
N Holt	5	7
C Kealey	4	7
J Harrington	4	7
T Hutchinson	2	3
N Walker	4	5
B Russell	1	5
J Duggins (staff)	4	7
M Stanhope (staff)	6	7

There were two resignations from the Board during 2016/17; B Russell on 24/05/2017 and N Walker on 24/05/2017. In the 17/18 year, H Earp resigned on 06/09/2017 and N Holt resigned on 04/10/2017.

The Trustees have considered the quality of the data they receive and consider it to be adequate for the purposes of overseeing the work of the Academy. Their assessment has been made having regard to externally validated data which is consistent with that received from within the Academy and data provided by the work of the internal and external auditors.

#### GOVERNANCE STATEMENT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2017

#### Governance reviews

The Trustees use Governor Development services to ensure that all training requirements for Governors is met. Each Governor has a Governor Training Record. Each term our Governor Training Governor issues a newsletter, "Board of Trustees Training Focus", this highlights current issues and offers the relevant training. The Governors are also members of the Leicestershire Academies Group and The National Governors Association.

External evaluation is carried out as part of the reviews of leadership at Redmoor.

As a result of new legislation and evaluations a Pay Committee has been formed.

The Finance and General Purposes Committee is a sub-committee of the main Board of Trustees.

#### **Review of Value for Money**

As Accounting Officer the Principal/Acting Principal has responsibility for ensuring that the Academy Trust delivers good value in the use of public resources. The Accounting Officer understands that value for money refers to the educational and wider societal outcomes achieved for taxpayers resources received.

The Accounting Officer considers how the Trust's use of its resources has provided good value for money during the academic year and reports to the Board of Trustees where value for money can be improved, including the use of benchmarking data where available. The Accounting Officer for the Academy Trust has delivered improved value for money during the year by:

- removing the post of Facilities Manager and redistributing workload amongst premises officers and overseen by the Operations Manager; and
- employing an experienced curriculum Vice Principal to ensure that the curriculum and timetable delivered improved value for money in terms of staffing whilst still delivering a broad and balanced curriculum to meet the needs of all students.

#### The Purpose of the System of Internal Control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of Academy Trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Redmoor Academy Trust for the year 1 September 2016 to 31 August 2017 and up to the date of approval of the annual report and financial statements.

#### GOVERNANCE STATEMENT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2017

#### **Capacity to Handle Risk**

The Board of Trustees has reviewed the key risks to which the Academy Trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Board of Trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the Academy Trust's significant risks that has been in place for the year 1 September 2016 to 31 August 2017 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the Board of Trustees.

#### The Risk and Control Framework

The Academy Trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Board of Trustees;
- regular reviews by the Finance and General Purposes Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines;
- delegation of authority and segregation of duties; and
- · identification and management of risks.

The Board of Trustees has considered the need for a specific internal audit function and has decided to continue to use the Leicestershire County Council an internal auditor.

The auditor's role includes giving advice on financial matters and performing a range of checks on the Academy Trust's financial systems. On an annual basis, the auditor reports to the Board of Trustees, through the Finance and General Purposes Committee on the operation of the systems of control and on the discharge of the Board of Trustees financial responsibilities.

#### **Review of Effectiveness**

As Accounting Officer, the Principal has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the internal auditor; and
- · the work of the external auditor

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the Finance and General Purposes Committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

### GOVERNANCE STATEMENT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2017						
Approved by order of the members of the Board of Trustees on 13 December 2017 and signed on their behalf, by:						
C Kealey M Nicolle Chair of Trustees Accounting Officer						

#### STATEMENT ON REGULARITY, PROPRIETY AND COMPLIANCE FOR THE YEAR ENDED 31 AUGUST 2017

As Accounting Officer of Redmoor Academy Trust I have considered my responsibility to notify the Academy Trust Board of Trustees and the Education and Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with ESFA terms and conditions of funding, under the funding agreement in place between the Academy Trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2016.

I confirm that I and the Academy Trust Board of Trustees are able to identify any material irregular or improper use of funds by the Academy Trust, or material non-compliance with the terms and conditions of funding under the Academy Trust's funding agreement and the Academies Financial Handbook 2016.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the Board of Trustees and ESFA.

M Nicolle
Accounting Officer

13 December 2017

### STATEMENT OF TRUSTEES' RESPONSIBILITIES FOR THE YEAR ENDED 31 AUGUST 2017

The Trustees (who act as Governors of Redmoor Academy and are also the Directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with the Annual Accounts Direction published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the method and principles in the Charities SORP and the Academies Accounts Direction 2016 to 2017;
- Make judgement and accounting estimates that are reasonable and prudent;
- State whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from ESFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Approved by order of the Members of the Board of Trustees on 13 December 2017 and signed on its behalf by:

C Kealey	•
Chair of Trustees

### INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF REDMOOR ACADEMY

#### **OPINION**

We have audited the financial statements of Redmoor Academy for the year ended 31 August 2017 which comprise the Statement of Financial Activities incorporating the Income and Expenditure Account, the Balance Sheet, the Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities SORP 2015 and the Academies Accounts Direction 2016 to 2017 issued by the Education and Skills Funding Agency.

This report is made solely to the Academy Trust's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Academy's members those matters we are required to state to them in an Auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Academy Trust and the Academy Trust's members, as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the Academy's affairs as at 31 August 2017 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2015 and the Academies Accounts Direction 2016 to 2017 issued by the Education and Skills Funding Agency.

#### **BASIS OF OPINION**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Academy Trust in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **CONCLUSIONS RELATING TO GOING CONCERN**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Academy Trust's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

### INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF REDMOOR ACADEMY

#### OTHER INFORMATION

The Trustees are responsible for the other information. The other information comprises the information included in the Trustees' Report, other than the financial statements and our Auditor's Report thereon. Our opinion on the financial statements does not cover the information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### OPINION ON OTHER MATTERS PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report (incorporating the Strategic Report and the Directors Report) for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Trustees' Report and the Strategic Report have been prepared in accordance with applicable legal requirements.

#### MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

In the light of our knowledge and understanding of the Academy and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remunerations specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

### INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF REDMOOR ACADEMY

#### **RESPONSIBILITIES OF TRUSTEES**

As explained more fully in the Trustees' Responsibilities Statement, the Trustees (who are also the Directors of the Academy for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Academy's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Academy Trust or to cease operations, or have no realistic alternative but to do so.

#### **AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. The description forms part of our Auditor's report.

### INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO REDMOOR ACADEMY AND THE EDUCATION AND SKILLS FUNDING AGENCY

In accordance with the terms of our engagement letter dated 15 September 2017 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2016 to 2017, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Redmoor Academy during the year 1 September 2016 to 31 August 2017 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Redmoor Academy and the ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Redmoor Academy and the ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Redmoor Academy and the ESFA, for our work, for this report, or for the conclusion we have formed.

### RESPECTIVE RESPONSIBILITIES OF REDMOOR ACADEMY'S ACCOUNTING OFFICER AND THE REPORTING ACCOUNTANT

The Accounting Officer is responsible, under the requirements of Redmoor Academy's funding agreement with the Secretary of State for Education dated 1 April 2013, and the Academies Financial Handbook extant from 1 September 2016, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2016 to 2017. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2016 to 31 August 2017 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

#### **APPROACH**

We conducted our engagement in accordance with the Academies Accounts Direction 2016 to 2017 issued by the ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the Academy's income and expenditure.

(A Company Limited by Guarantee)

### INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO REDMOOR ACADEMY AND THE EDUCATION AND SKILLS FUNDING AGENCY (continued)

The work undertaken to draw our conclusions includes:

- A review of the objectives and activities of the Academy, with reference to the income streams and other information available to us as auditors of the Academy.
- Testing of a sample of grants received and other income streams.
- Testing of a sample of payments to suppliers and other third parties.
- Testing of a sample of payroll payments to staff.
- Evaluating the internal control procedures and reporting lines, and testing as appropriate.
- Reviewing the Minutes of the meetings of the Governing Body and other evidence made available to us, relevant to our consideration of regularity.

#### CONCLUSION

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the year 1 September 2016 to 31 August 2017 have not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2017

#### 1. ACCOUNTING POLICIES

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgments and key sources of estimation uncertainty, is set out below.

#### 1.1 Basis of preparation of financial statements

The financial statements of the Academy Trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2016 to 2017 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

Redmoor Academy is a company limited by guarantee, incorporated in England. The address of the registered office and principal place of operations are detailed on page 1. The nature of the Academy Trust's operations and principal activity are detailed in the Trustees' Report.

The Financial Statements are prepared in British Pound Sterling  $(\mathfrak{L})$ , the functional currency, rounded to the nearest £1,000.

#### 1.2 Going concern

The Trustees assess whether the use of going concern is appropriate, i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Academy to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the academy trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the Academy Trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2017

#### 1. ACCOUNTING POLICIES (continued)

#### 1.3 Income

All income is recognised once the Academy has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of Financial Activities in the year for which it is receivable and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended. Unspent amounts of capital grant are reflected in the balance in the restricted fixed asset fund.

Sponsorship income provided to the Academy which amounts to a donation is recognised in the Statement of Financial Activities in the period in which it is receivable, where receipt is probable and it is measurable.

Donations are recognised on a receivable basis where receipt is probable and the amount can be reliably measured.

Other income, including the hire of facilities, is recognised in the period in which it is receivable and to the extent the goods have been provided or on completion of the service.

(A Company Limited by Guarantee)

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2017

#### 1. ACCOUNTING POLICIES (continued)

#### 1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on raising funds includes all expenditure incurred by the Academy to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Expenditure on charitable activities are costs incurred on the Academy's educational operations, including support costs and those costs relating to the governance of the Academy appointed to charitable activities.

All expenditure is inclusive of irrecoverable VAT.

#### 1.5 Tangible fixed assets and depreciation

All assets costing more than £1,000 are capitalised and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of Financial Activities. Where tangible fixed assets have been acquired with unrestricted funds a transfer is made to reflect these assets in the restricted fixed asset fund.

Tangible fixed assets are carried at cost, net of depreciation and any provision for impairment. Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost of these assets, less their estimated residual value, over their expected useful lives on the following bases:

Long leasehold land - 125 years over the term of the lease

Long leasehold property - 2% Straight line
Property improvements - 2% Straight line
Plant and machinery - 20% Straight line
Fixtures and fittings - 10% Straight line
Computer equipment - 25% Straight line

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

(A Company Limited by Guarantee)

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2017

#### 1. ACCOUNTING POLICIES (continued)

#### 1.6 Operating leases

Rentals under operating leases are charged to the Statement of Financial Activities on a straight line basis over the lease term.

#### 1.7 Taxation

The Academy is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Academy is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

#### 1.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

#### 1.9 Cash at Bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

#### 1.10 Liabilities and provisions

Liabilities and provisions are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Academy Trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

(A Company Limited by Guarantee)

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2017

#### 1. ACCOUNTING POLICIES (continued)

#### 1.11 Financial instruments

The Academy only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the Academy and their measurement basis are as follows:

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 14. Prepayments are not financial instruments. Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised costs as detailed in notes 15 and 16. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instruments.

#### 1.12 Pensions

Retirement benefits to employees of the academy trust are provided by the Teachers' Pension Scheme ("TPS") and the Local Governments Pension Scheme ("LGPS"). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Academy in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. As stated in note 22, the TPS is a multi-employer scheme and there is insufficient information available to use defined benefit accounting. The TPS is therefore treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded scheme and the assets are held separately from those of the Academy Trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each Balance Sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of Financial Activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

(A Company Limited by Guarantee)

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2017

#### 1. ACCOUNTING POLICIES (continued)

#### 1.13 Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The Academy Trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The annual depreciation charge for tangible fixed assets is sensitive to changes in the estimated useful economic lives and residual values of the assets. The useful economic lives and residual values are reassessed annually. See note 13 for the carrying amount of the tangible fixed assets, and note 1.5 for the useful economic lives for each class of assets.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost (income) for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 22, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2016 has been used by the actuary in valuing the pensions liability at 31 August 2017. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

#### 1.14 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Academy at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the funder and include grants from Education and Skills Funding Agency where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder and include grants from Education and Skills Funding Agency/Department for Education.

Investment income, gains and losses are allocated to the appropriate fund.

## **General Annual Grant (GAG)**

Funds from the Education and Skills Funding Agency for the provision of education, in line with the funding agreement.

Under the funding agreement with the Secretary of State, the Academy was not subject to a limit on the amount of GAG that it could carry forward at 31 August 2017. Transfers of £21,000 from restricted funds to the restricted fixed asset fund represents allocations from GAG towards the new ICT equipment and furniture for the Academy.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2017

## 17. STATEMENT OF FUNDS (continued)

### Other DfE/ESFA grants

Other funds provided by the DfE/ESFA for particular purposes within the Academy's educational operations.

### Pupil premium

Additional funds from the Education and Skills Funding Agency to support their disadvantaged pupils and close the attainment gap between them and their peers. This is allocated for every pupil who receives free school meals.

### Other local authority grants

These are funds and grants received from the Local Authority and other institutions for use on specific educational projects.

#### Other income

These consist of income from all other sources to be used primarily for the Academy's educational operations.

#### Pension reserve

Being the fund in relation to the defined benefit pension scheme liability included in the Balance Sheet. The fund is in deficit given the nature of the liability, however, this is not payable immediately. Plans are in place to address the deficit.

### Restricted fixed asset fund

The net book value of fixed asset fund has been set up to recognise the tangible assets held by the Academy Trust and is equivalent to the net book value of tangible fixed assets. Depreciation of tangible fixed assets is allocated to this fund.

The Salix loan balance represents the loan liabilities which were received as part of the funding received for the purchase of tangible fixed assets and repairs to the school building. As repayments are made against this liability, a transfer will be made from restricted funds against the Salix loan fund.

#### **Capital grants**

This consists of Devolved Formula Capital (DFC) and other capital funding from the Education and Skills Funding Agency. The DFC is to be used for ICT items, improvements to building and other facilities or capital repairs and refurbishments and minor works. Other capital grants are to be used as per the individual terms of the agreement and for the specific capital projects as applied for.

The unspent capital grant fund has been created to recognise unspent capital grants received for the purpose of the replacement roofing works.

#### 22. PENSION COMMITMENTS

The Academy's employees belong to two principal pension schemes: the Teacher's Pension Scheme for England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Leicestershire County Council. Both are Multi-Employer Defined Benefit Pension Schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2012 and of the LGPS 31 March 2016.

Contributions amounting to £56,099 were payable to the schemes at 31 August 2017 (2016 - 47,669) and are included within creditors.

### **Teachers' Pension Scheme**

#### Introduction

The Teachers' Pension Scheme (TPS) is a statutory, unfunded, defined benefit scheme, governed by the Teachers' Pensions Regulations 2010, and the Teachers' Pension Scheme Regulations 2014. These regulations apply to teachers in schools and other educational establishments, including academies, in England and Wales that are maintained by local authorities. In addition, teachers in many independent and voluntary-aided schools and teachers and lecturers in some establishments of further and higher education may be eligible for membership. Membership is automatic for full-time teachers and lecturers and, from 1 January 2007, automatic too for teachers and lecturers in part-time employment following appointment or a change of contract. Teachers and lecturers are able to opt out of the TPS.

### The Teachers' Pension budgeting and valuation account

Although members may be employed by various bodies, their retirement and other pension benefits are set out in regulations made under the Superannuation Act (1972) and Public Service Pensions Act (2013) and are paid by public funds provided by Parliament. The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis – these contributions, along with those made by employers, are credited to the Exchequer under arrangements governed by the above Act.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2017

## 22. PENSION COMMITMENTS (continued)

The Teachers' Pensions Regulations 2010 require an annual account, the Teachers' Pension Budgeting and Valuation Account, to be kept of receipts and expenditure (including the cost of pension increases). From 1 April 2001, the Account has been credited with a real rate of return, which is equivalent to assuming that the balance in the Account is invested in notional investments that produce that real rate of return.

### Valuation of the Teachers' Pension Scheme

The latest actuarial review of the TPS was carried out as at 31 March 2012 and in accordance with The Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014.

The valuation report was published by the Department on 9 June 2014. The key results of the valuation are:

- employer contribution rates were set at 16.4% of pensionable pay; in line with current regulations, not including the additional 0.08% employers pay for the cost of Scheme administration;
- total scheme liabilities for service to the effective date of £191.5 billion, and notional assets of £176.6 billion, giving a notional past service deficit of £15.0 billion;
- an employer cost cap of 10.9% of pensionable pay;
- Actuarial assessments are undertaken in intervening years between formal valuations for financial reporting purposes, using updated membership data.

The new employer contribution rate and administration levy for the TPS were implemented in September 2015.

A full copy of the valuation report and supporting documentation can be found on the Teachers' Pension Scheme website at the following location:

https://www.teacherspensions.co.uk/news/employers/2014/06/publication-of-the-valuationreport.aspx

The employer's pension costs paid to TPS in the period amounted to £270,000 (2016 - £202,000).

### **SCHEME CHANGES**

Lord Hutton, who chaired the Independent Public Service Pensions Commission, published his final report in March 2011 and made recommendations about how pensions can be made sustainable and affordable, whilst remaining fair to the workforce and the taxpayer. The Government accepted Lord Hutton's recommendations as the basis for consultation and Ministers engaged in extensive discussions with trade unions and other representative bodies on reform of the TPS. Those discussions concluded on 9 March 2012, and the Department published a Proposed Final Agreement, setting out the design for a reformed TPS to be implemented from 1 April 2015.

The key provisions of the reformed scheme include: a pension based on career average earnings; an accrual rate of 1/57th; and a Normal Pension Age equal to State Pension Age, but with options to enable members to retire earlier or later than their Normal Pension Age. Importantly, pension benefits built up before 1 April 2015 will be fully protected.

In addition, the Proposed Final Agreement includes a Government commitment that those within 10 years of Normal Pension Age on 1 April 2012 will see no change to the age at which they can retire, and no decrease in the amount of pension they receive when they retire. There will also be further transitional protection, tapered over a three and a half year period, for people who would fall up to three and a half years outside of the 10 year protection.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2017

## 22. PENSION COMMITMENTS (continued)

In his interim report of October 2010, Lord Hutton recommended that short-term savings were also required, and that the only realistic way of achieving these was to increase member contributions. At the Spending Review 2010 the Government announced an average increase of 3.2 percentage points on the contribution rates by 2014-15. The increases have been phased in since April 2012.

The arrangements for a reformed Teachers' Pension Scheme, in line with the remainder of the recommendations made by Lord Hutton, have now been implemented. The Career Average Revalued Earnings (CARE) scheme was implemented from 1 April 2015, whereby benefits will accrue on a career average basis and there is a normal pension age aligned to the state pension age.

#### **Local Government Pension Scheme**

The LGPS is a funded defined benefit scheme, with assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2017 was £233,000 (2016 - £203,000), of which employer's contributions totalled £185,000 (2016 - £160,000) and employees' contributions totalled £48,000 (2016 - £43,000). The agreed contribution rates for future years are 23.8% for employers and 5.5% - 12.5% for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.
