September 2016

Dear Parent / Carer

We have ordered scientific calculators, which will help the students with their work throughout Key Stage 3 and Key Stage 4.

They are priced at £6.95 from the Maths Department. We strongly advise pupils to purchase one to help with their work throughout the year. Payments should be made through Parentpay or at a Paypoint outlet.

Yours faithfully

a. Gomm

Ms. A. Gomm Head of Maths
