A note from Yr 10 House Captains

I applied to become a house captain because it's a privilege to represent the school and the tutor groups of your house. I also wanted to challenge myself whilst working with a team of people.

I have enjoyed the responsibility of helping out with different events and projects throughout the school year particularly parent's evening and opening evening. Whilst also contributing towards discussions on how to improve the school for pupils and staff.

Next year, I am looking forward to working with the new house captains and helping them to enjoy their role and responsibility whilst also continuing with the work we have started.
