

The Redmoor DNA: Remote Learning Rewards

All students engaging in live lessons, completing assignments and submitting work to their teachers are being rewarded with Redmoor DNA house points. Students and parents can view the points on Class Charts.

All points continue to count towards their individual and house totals. House league tables will be shared in tutor time each Friday.

Extra remote learning competitions:

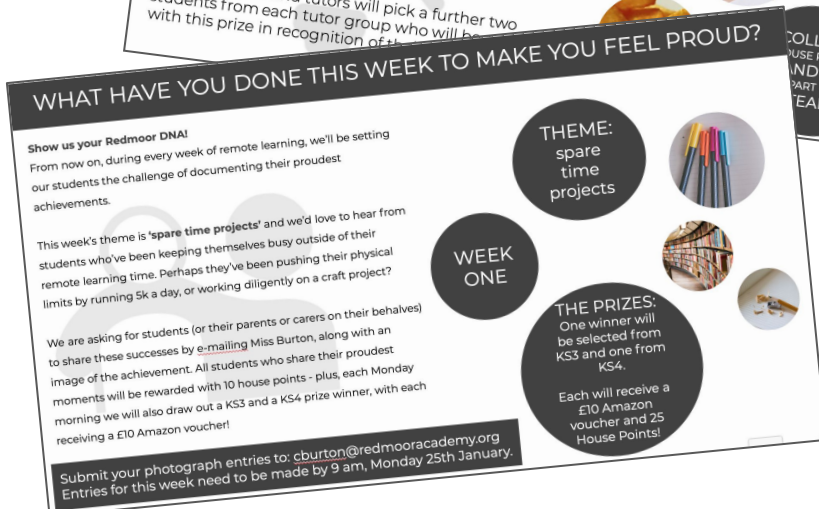

The Redmoor DNA Remote Learning Champion

Each week, staff award students who've stood out for their effort and excellent in remote learning with the 'Redmoor DNA Remote Learning Champion Award', worth 5 house points. A raffle winner from each year group is drawn and wins a £5 Amazon e-voucher.

R-DNA House Point Competition

From Friday 22nd January to Thursday 11th February, we'll be giving out extra prizes to our top house points collectors. The top 3 students in every tutor group, as well as 2 students nominated by tutors, will be awarded a free chip voucher and a Q-Jump pass when we return to school - as well as 25 bonus house points!

What Have You Done This Week to Make You Feel Proud?

Each week during remote learning we'll be setting a theme and asking students to tell us what they've done to make themselves or their families proud. Entries can be submitted by students or parents to Miss Burton and each will receive 10 house points. A winning student in KS3 and KS4 will be awarded a £10 Amazon e-voucher.
