

Meet the support team

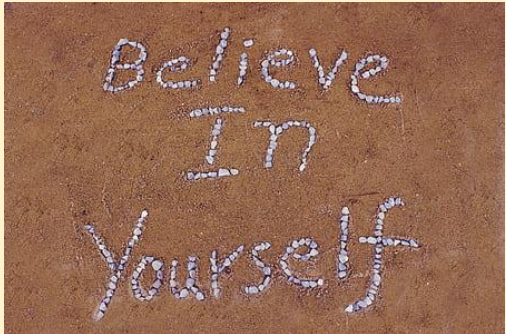

The Base

The Base is a quiet and calm place managed by Mrs Robinson for students with additional needs, who may struggle at times. It can also provide a 'safe space' for students with a whole range of issues and supports you as you build confidence and return to class.

The Base is open at break and lunchtimes as a social area, where you can meet new people and make new friends. It is mainly for students that don't feel comfortable with the hustle and bustle of the school.

Mrs O'Keeffe
