

REDMOOR ACADEMY: Business Studies CURRICULUM JOURNEY

In completing their studies in **Business**, Redmoor students will enter adult life with the aptitude to be the entrepreneurs and leaders of the future, characterised by what they think, say and do. They will embrace their future careers with a 'can do' approach and contribute to the complex and dynamic nature of the world of business as employers, employees, and consumers.

Our students think outside the box, adapt to changing situations and have strong business acumen
